

Alumini Spotlight

My name is B. Abi, and I am currently pursuing my 3rd year of Physiotherapy at Saveetha College of Physiotherapy. When I look back at my journey, I realize that my school, Bright Minds Vidyodaya was not just a place for academics—it was where I found peace, comfort, and endless opportunities to grow.

During my school days, I must admit I was quite lethargic and often skipped tasks. However, my school always believed in me, and the consistent encouragement from my teachers planted the seeds of change in my life. They taught me the importance of perseverance and helped me discover my potential.

One of the most cherished aspects of my school life was how BMV identified and nurtured my passion for dance. Whether it was school events or casual performances, my teachers and friends were my biggest cheerleaders.

Fast forward to today, in college, I have transformed into someone who is active, confident, and always ready to take on challenges. I now participate in every dance event with enthusiasm and have even won several prizes for my performances. This confidence to step up and showcase my talent is something I owe entirely to the foundation laid by BMV.

BMV wasn't just a school for me; it was a life-changing experience that taught me values, gave me confidence, and helped me find my true self. It's a place I will forever hold close to my heart, as it made me who I am today.

அன்பிற்குரியீர், Voices Of Impact

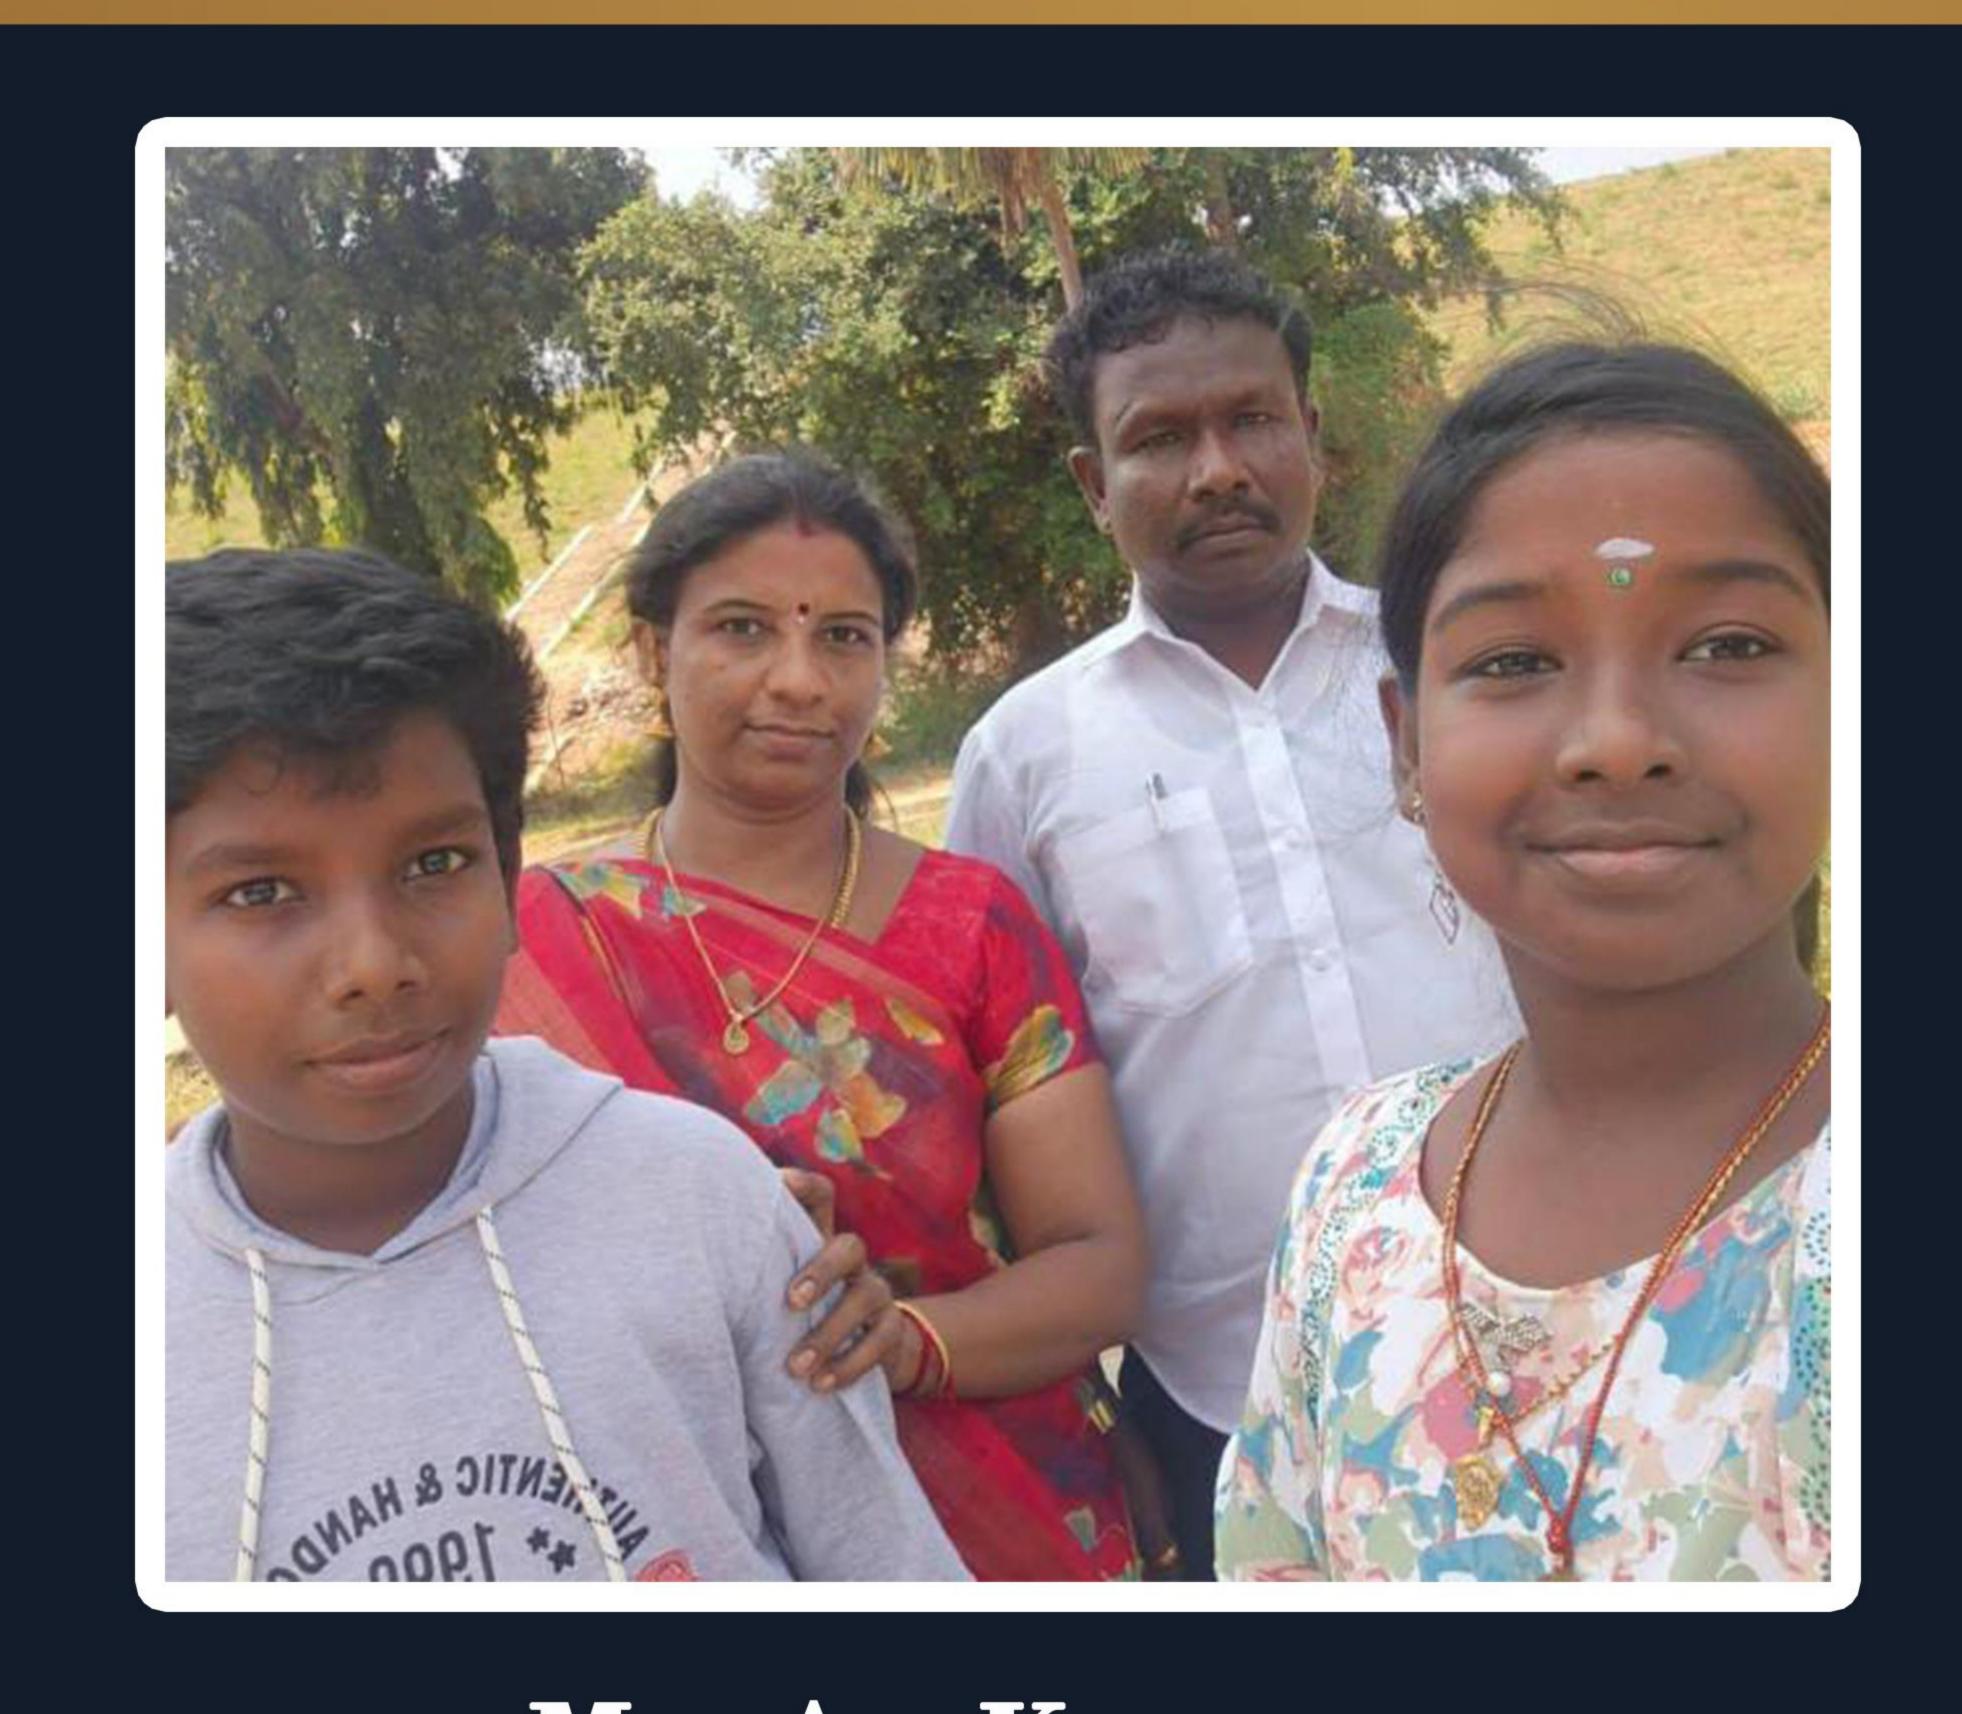

இனிய வணக்கங்கள். கடந்த பன்னிரு ஆண்டுகளாக நமது பிரைட்மைண்ட்ஸ் வித்யோதயாவில் தமிழாசிரியராகப் பணிபுரிந்து வருகிறேன். தமிழ் மொழிப் பாடம் மாணவர்களின் மனதிற்கு விருப்பமானதொரு பாடமாகும். மாணவர்கள் தங்கள் தாய் மொழியில் மிகவும் இலகுவாக சிந்திக்கவும் சிந்தித்தவற்றை வெளிக்காட்டவும் ஆர்வத்துடன் ஈடுபடுகின்றனர்.

தமிழில் பிழையின்றி பேசவும் எழுதவும் தேவையான அடிப்படையான பயிற்சிகளை அளிப்பதில் முக்கியத்துவம் தருகிறேன். மாணவர்கள் தாங்கள் சிந்தித்தவற்றை தமிழில் அழகாக வெளிப்படுத்த ஊக்குவிப்பதில் ஆர்வம் கொண்டுள்ளேன்.

நமது பள்ளியில் இயங்கும் மாணவர் மன்றங்களில் தமிழ்த்துறையின் திருவள்ளுவர் மன்றம் சார்பாக நடத்தப்பெறும் மாதம் ஓர் அதிகாரம் என்னும் இலக்கை நோக்கிய பயணத்தில் மாணவர்களின் பங்களிப்பையும் ஆர்வத்தையும் கண்டு பெரு மகிழ்வு கொள்கிறேன். தமிழார்வம் நிறைந்த மாணவர்களின் கவிதை, கட்டுரைப் படைப்பாற்றலைக் காணும் தருணங்களில் நான் அடையும் உவப்பிற்கும் பெருமிதத்திற்கும் ஒப்பில்லை. தமிழில் பிழையின்றி பேசியும் எழுதியும் நம்மால் இயன்ற தமிழ்ப் பணி புரிவோம்! வாழ்க தமிழ்!

We are proud parents of K. Abinaya Santhana Lakshmi & K. Abhishek Balakrishnan, Grade 10 students.

As parents, we are very grateful to see our children developing their skills day by day. We can see that BMV is a creative and supportive place to nurture kids' mental growth. There is so much improvement, especially since 9th grade. Frequent tests and teachers' interaction with students make the classes more interesting. Sample papers, Competency-Based Questions, and HOTS are enhancing their thinking skills. Evening special classes are an added bonus, where teachers provide creative questions and encourage students to solve them. Group discussions make studying easier. Now, students can have new hope of scoring well in Board exams...!! Thank you, BMV, for creating hope and a safe and secure environment.

A. Jishnu Grade 5 Flamingo

Hello everyone,

I am A. Jishnu, a proud Grade 5 Flamingo student, and it is my privilege to share the remarkable journey I have experienced at this wonderful school. My educational adventure began here in Grade 1, and over the years, I have grown into a confident and courageous individual, thanks to the unwavering support and guidance of my teachers.

My parents are equally delighted with the nurturing environment this school provides, so much so that my younger sister also joined here. She started her learning journey in kindergarten and is now flourishing in Grade 1.

I am deeply grateful to my class teacher for giving me this opportunity to express my heartfelt gratitude and joy.

Thank you!

Faculty Orientation Session

Ms. E. Vinitha & Ms. R. Vennila attended the "Game-Oriented Activity Learning Workshop"! On December 7, 2024, Mrs. Sheethal Gandhi enlightened them on innovative teaching techniques, including icebreakers,

brainstorming, and interactive games. They explored strategies for promoting critical thinking, discipline, and active participation, with a special focus on KG to Class 5.

Orientation session was packed with interactive icebreaker games to spark connections, followed by brainstorming sessions to recap key takeaways, and concluded with tips to boost positivity and achieve success.

Partners In Education

Parent - Teacher Meeting

We are pleased to share that our recent PTM. The meeting provided an excellent opportunity for parents to engage with teachers and discuss their child's academic progress.

Grades 9 - 12: Thursday, 19th December 2024

Grades 1 to 8: Saturday, 21st December 2024

We would like to thank all the parents who attended the meetings, contributing to the collaborative effort in supporting our students' education. Your involvement plays a vital role in ensuring that our children continue to thrive academically.

We look forward to continuing this partnership throughout the school year!

Yuletide Charm

Our school transformed into a winter wonderland! Students from all classes showcased their creativity with stunning Christmas craft items like colorful balloons, beautifully decorated Christmas trees, delicious cakes, and festive jingle bells.

The vibrant notice board displays featured cheerful snowmen, Santa Claus artworks, and beautifully crafted candles alongside gift items.

The highlight was the Christmas crib in the chart, which spread joy and festive cheer throughout the campus!

Zine 2024-25 Edition - 6 Fun & Adventure To Cherish

"Unlocking sustainability secrets!

Grades 6 - 9 embarked on an field trip adventure to Ponnai Anaicut, discovering hydroelectric power, dam architecture & environmental impact. Added on to this, a pit stop at the stunning Karimalai Murugar Temple, blending science, nature & innovation!

Grade 10 & 12 Excursion to Queens Land!

Our students enjoyed thrilling rides, games & attractions on December 20, 2024. A fun-filled day of bonding, teamwork & creating lifelong memories!

BMV Assembly - Empowering Minds

Little leaders shine! Shakespeare's Club students presented a safety rules assembly, while Maths club brought chess to life with a strategic roleplay!

G8B திருவள்ளுவர் மன்றம் சார்பாக செல்போன் வரமா? சாபமா? என்ற தலைப்பில் பட்டிமன்றம் மற்றும் மைம் நடத்தப்பட்டது.

These assembly activities were conducted to instill values, promote teamwork, and foster creativity among students, while developing their public speaking, presentation, and critical thinking skills.

Kindergarten Buzz!

Kindergarten Snapshot

"Unlock the excitement of our kindergarten!"

- Skip counting 2's
- Berry's Leaf Art
- Segregation exploration
- Seed shape art
- Safety at school
- Indoor activity Sensory walk
- Home Sweet Home

Inquiry Based Learning

"Kindling Curiosity is our approach to learning. We spark curiosity in our kindergarten students through play, exploration, and discovery, empowering them to ask, seek, and unleash their full potential!"

Skill-building equipment is essential for kindergarten students as it helps develop their fine motor skills, hand-eye coordination, problem-solving abilities, and creativity, laying a strong foundation for future learning and success.

Art integration is vital for kindergarten students as it fosters creativity, self-expression, fine motor skills, and cognitive development, while promoting social-emotional learning, imagination, and a lifelong love for learning.

3 Dimensional Learning - Inclusive Education

G1: Mini Gardens with inspiring slogans

G2: Bihu Festival Celebration

G3: Sports of Arunachal Pradesh

G4: Roleplayed 'The Youngest Prince'

G5: Mastered sentence classification skills!

G6: Classification of tenses

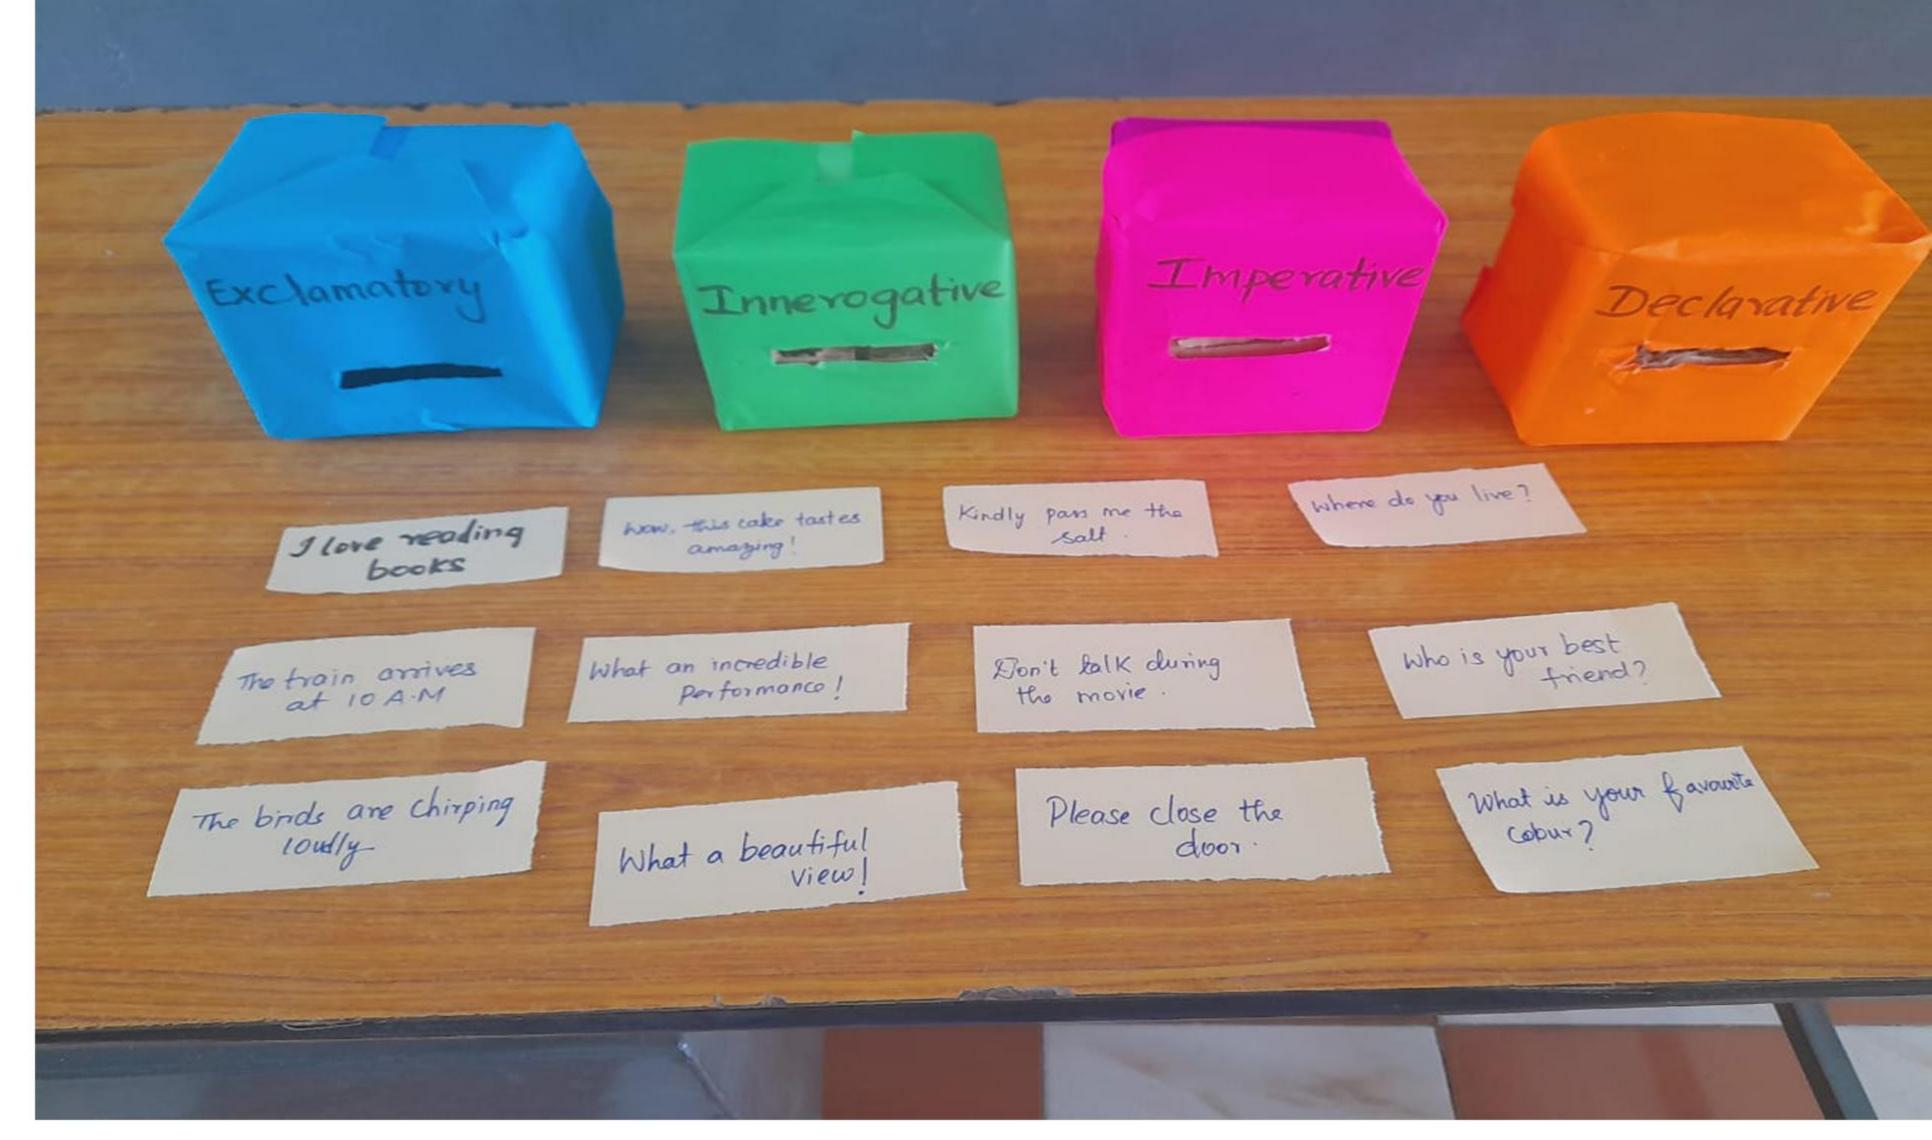

G7: Awareness Posters on "Caged Vs Free Birds"

G8: Article Writing on entrepreneurial icon

Kiran Mazazumdar Shaw

Integrate, Innovize, Elevate!

These English activities boost language skills, creativity, and critical thinking. Role-playing, sentence classification, poster-making, and article writing help students communicate better, and connect with both literature and real world situations.

3 Dimensional Learning - Inclusive Education

செயல்வழிக் கற்றல் முறையில் மாணவர்களின் ஊக்கமிகு பங்களிப்பு

G1: அரிச்சுவடி 'ஐ' வரிசை வரைபடத்தில் எழுத்துகளை எழுதி இணைத்து வண்ணமயமான வாசித்தல் பயிற்சி மேற்கொண்டனர்.

G2: பறக்கும் யானை செய்து ஊதி பறக்கவிட்டு மகிழ்ந்தனர்.

G4: பறவைகளின் படம் வரைந்து வண்ணம் தீட்டினர்.

கணினியின் படம் வரைந்து வண்ணம் தீட்டினர்.

G9. குழு செயல்பாடு சொல்வளம் விளக்கப்படத் தொகுப்பு தயாரித்தனர்

கொல்லாமை என்னும் பெருங்குணம் நற்செயல்கள் எல்லாவற்றிற்கும் அடிப்படை எனும் வள்ளுவன் அறவுரையை அறிந்து எடுத்துச் சொல்லிய மாணவச் செல்வங்கள்.

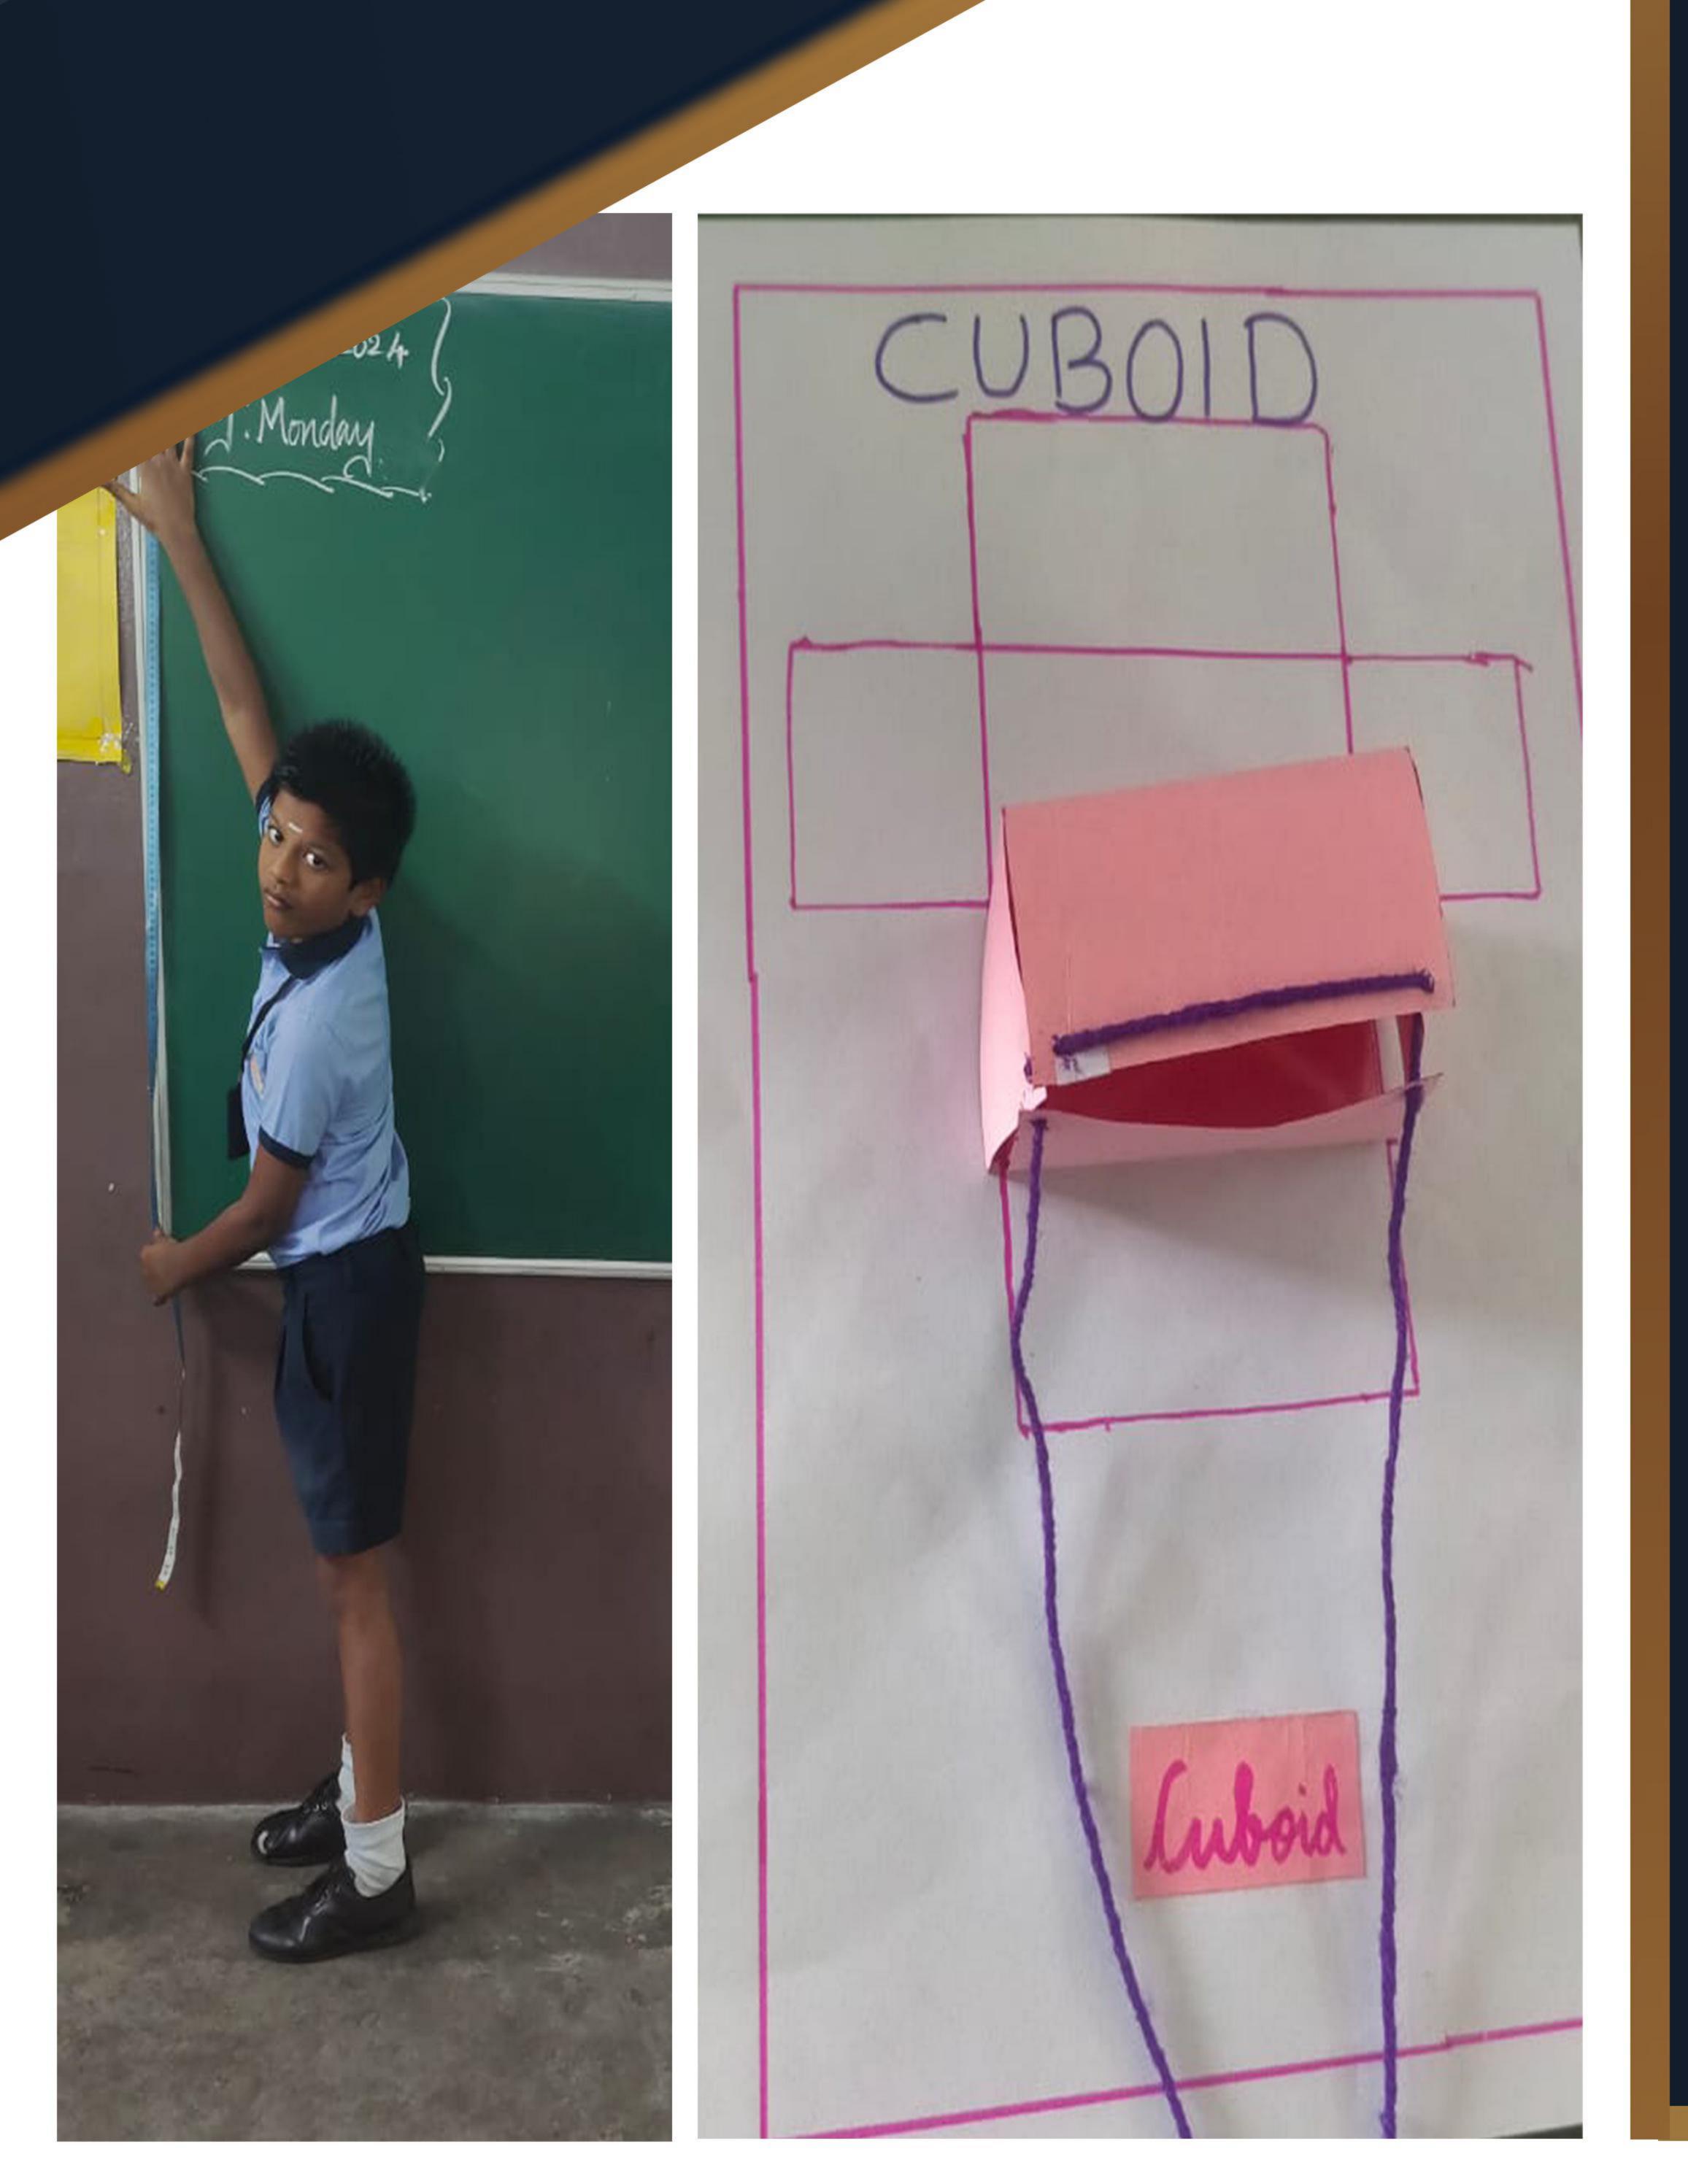

3 Dimensional Learning Inclusive Education

These Math activities boosted problem-solving, critical thinking, and data analysis skills. Through exploring pictographs, metrics, 3D shapes, and graphs, students gained practical experience in applying math to real-world scenarios, building a solid foundation for future Math literacy.

G3: Cracked Pictograph codes!

G4: Mastered metric measurements!

G7: Explored 3D shapes & nets!

G8: Dived into graphs & data

storytelling!"

3 Dimensional Learning -Inclusive Education

Grade 1: Sorted land & water transport. Grade 2: Explored air through balloon

Grade 3: Uncovered the amazing Water Cycle!

Grade 4: Masked animal groups! Evaporation

& Condensation experiments.

Grade 5: Posters on Pollution & Role-played tribal life.

Grade 6: Power of Oxygen & Electric circuits!

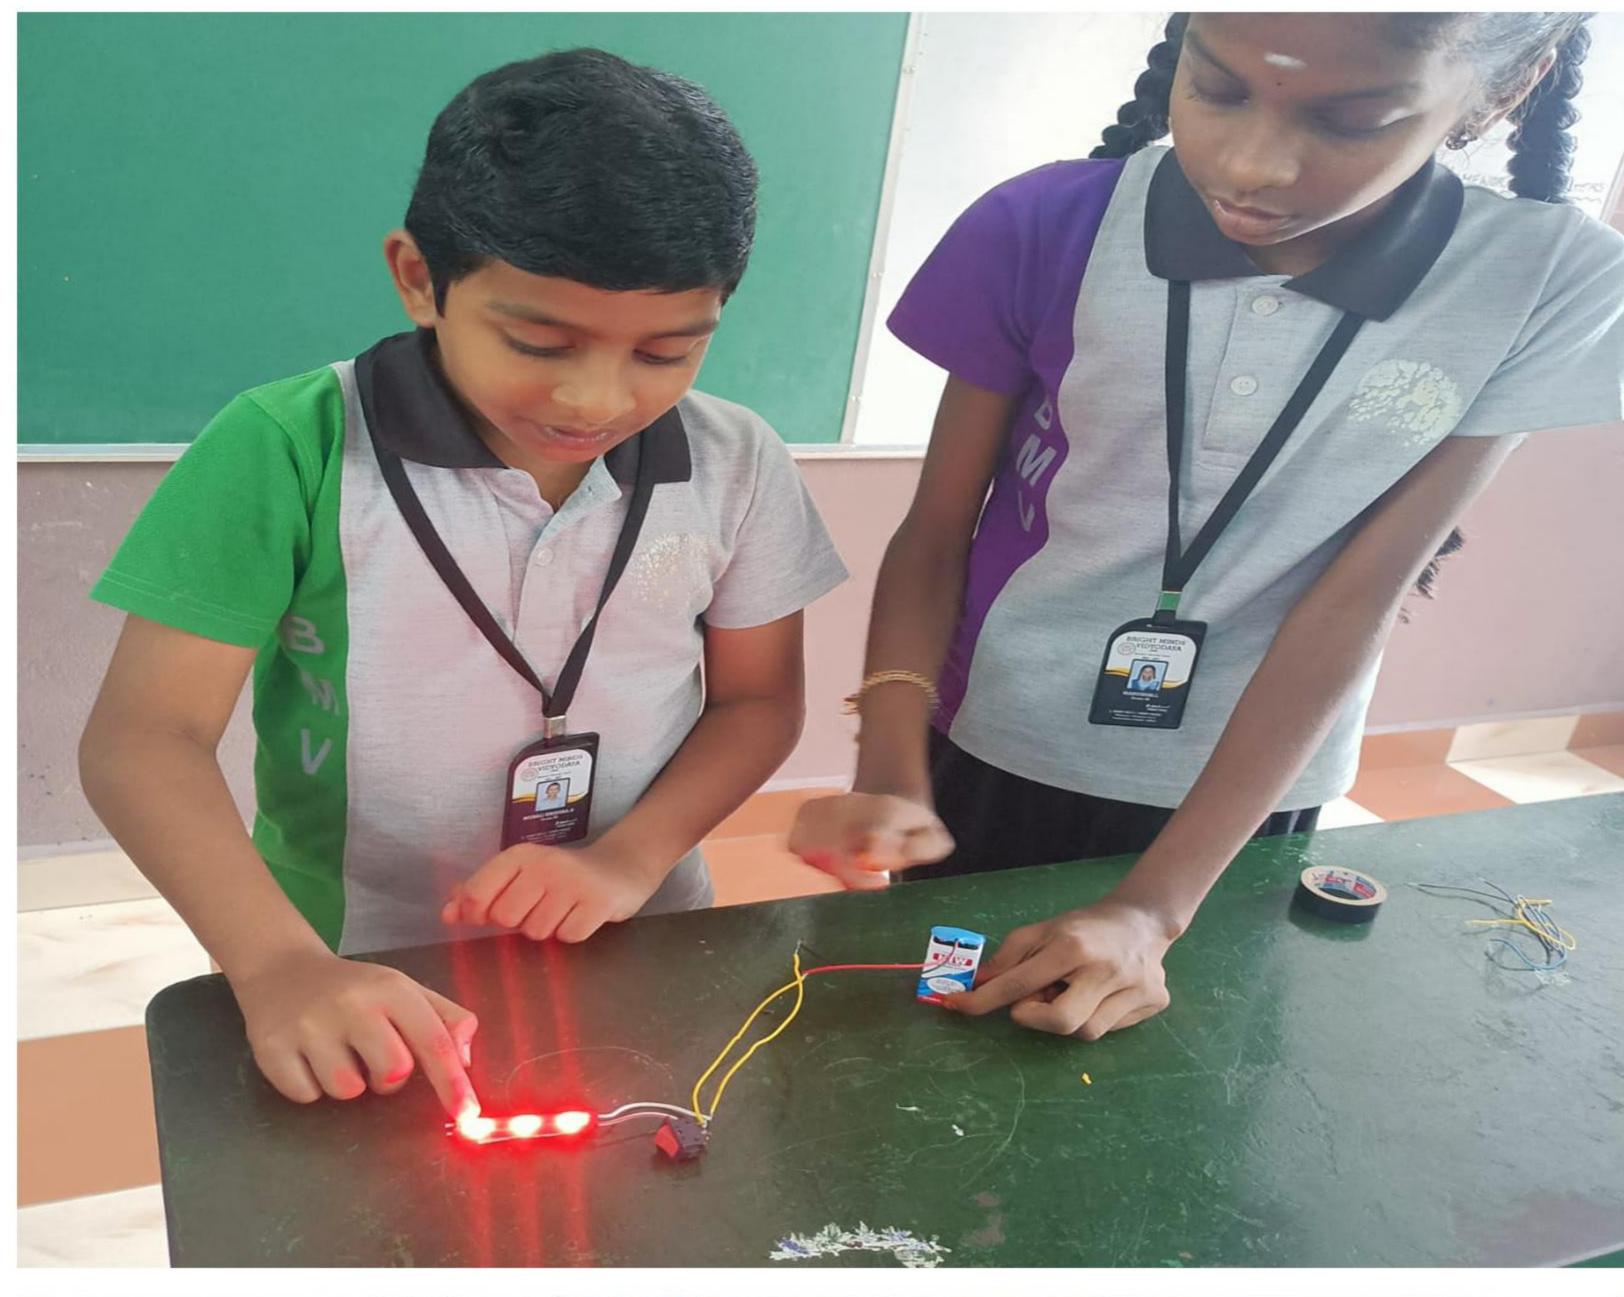

Grade 7: Pendulums & it's oscillation

Grade 8: Built atomic models.

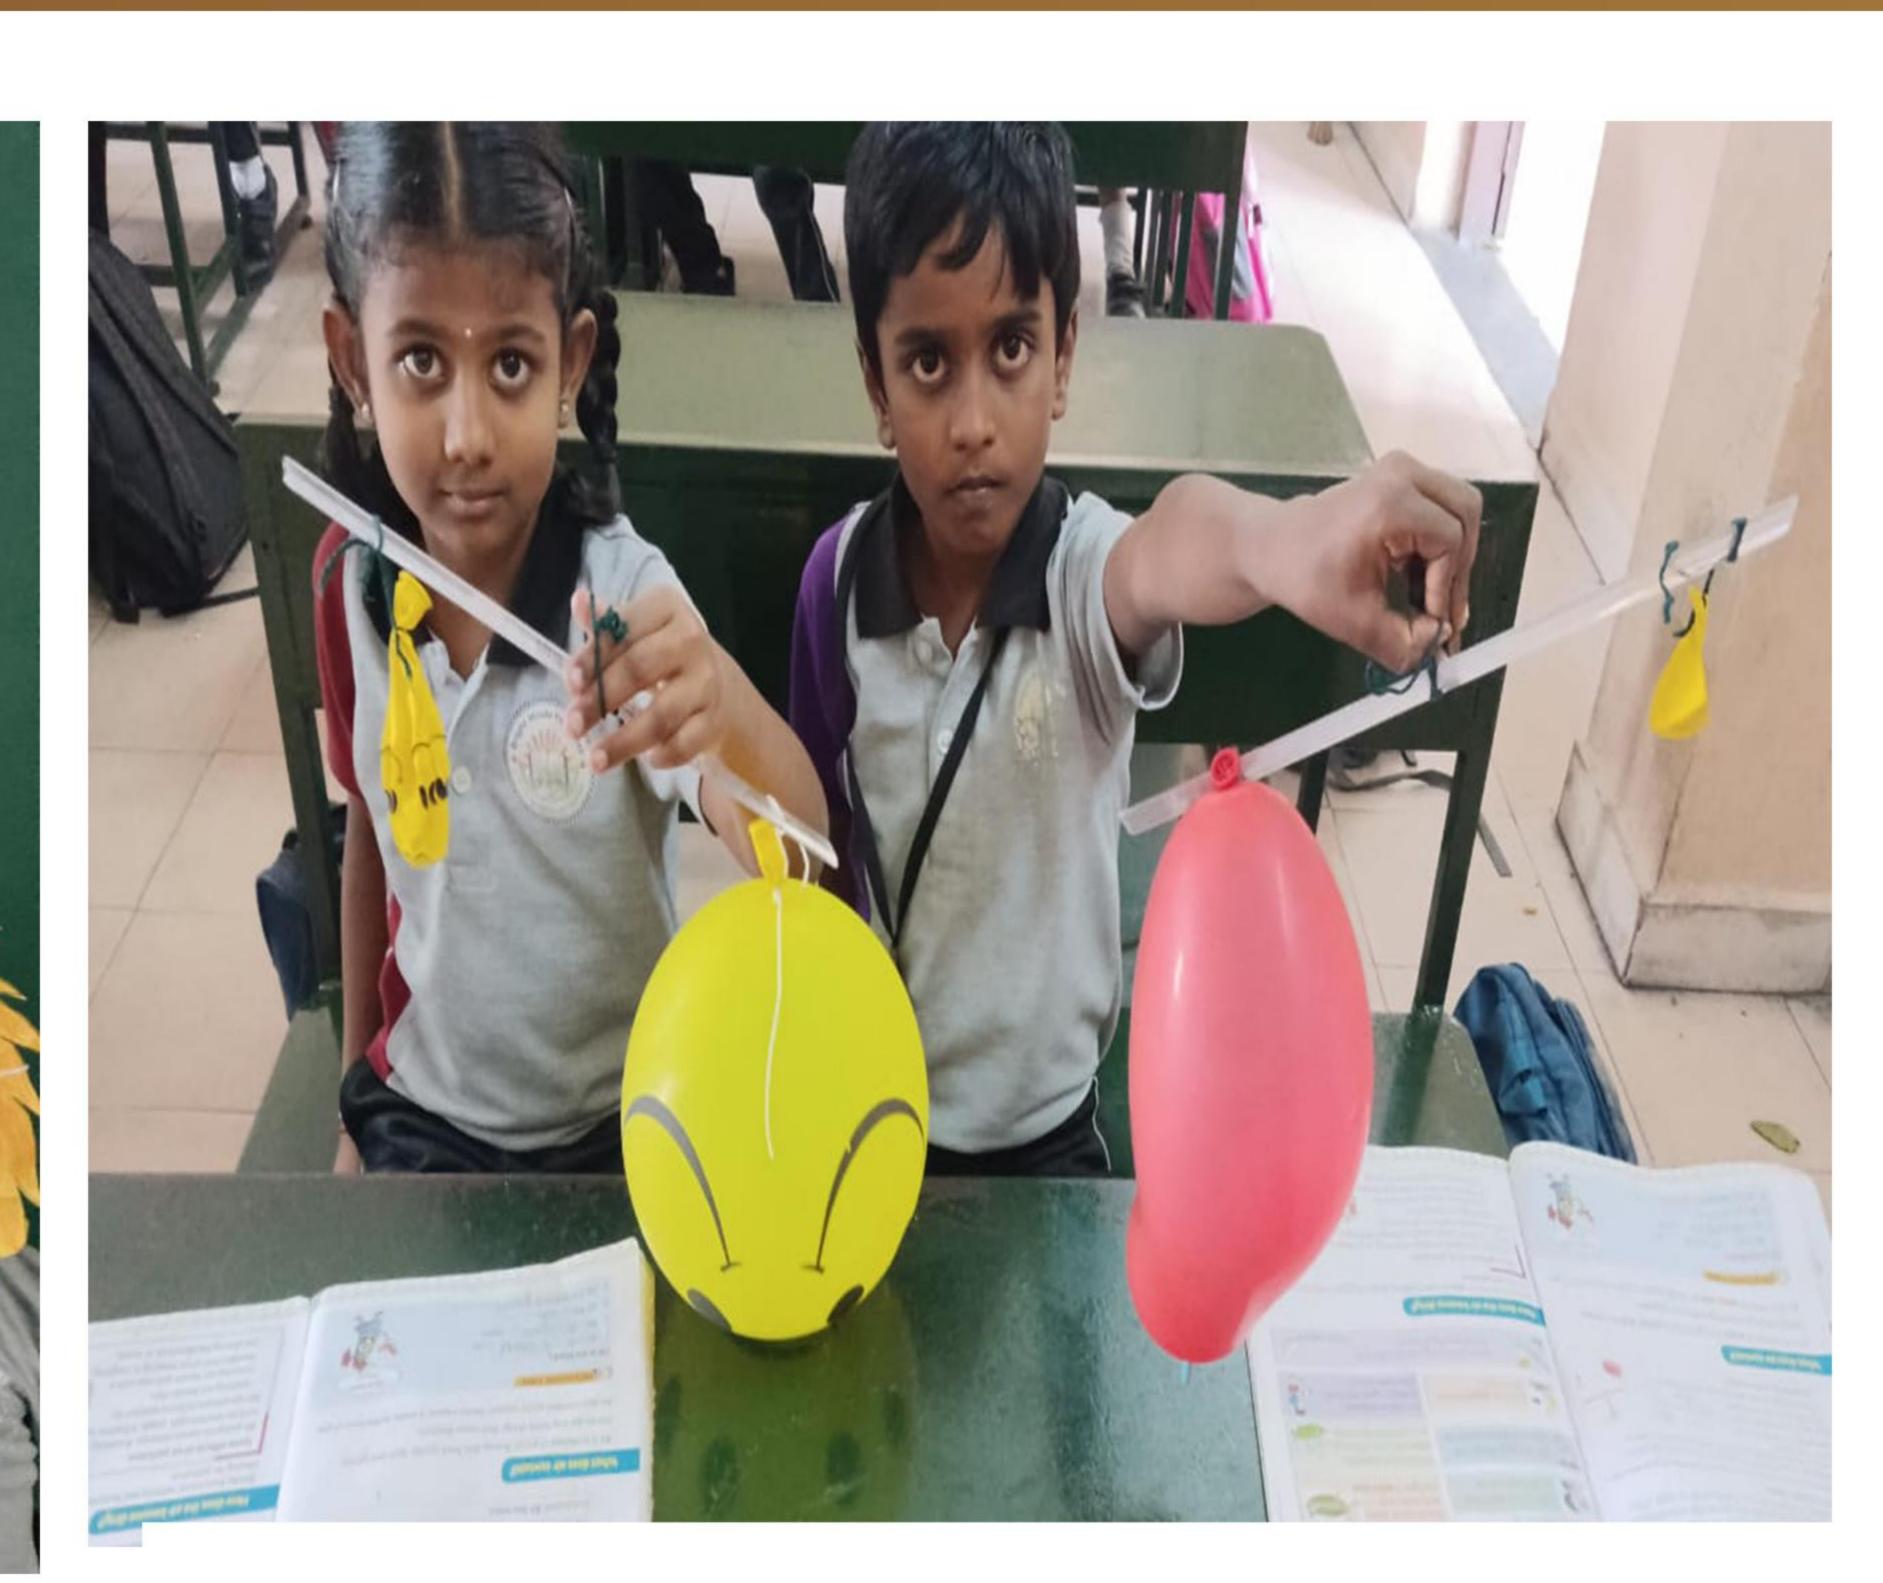

These hands-on activities spark critical thinking, curiosity, and confidence, enabling students to grasp complex concepts through direct experience. This approach shapes the nextgen of thinkers, makers & change - makers.

Zine 2024-25

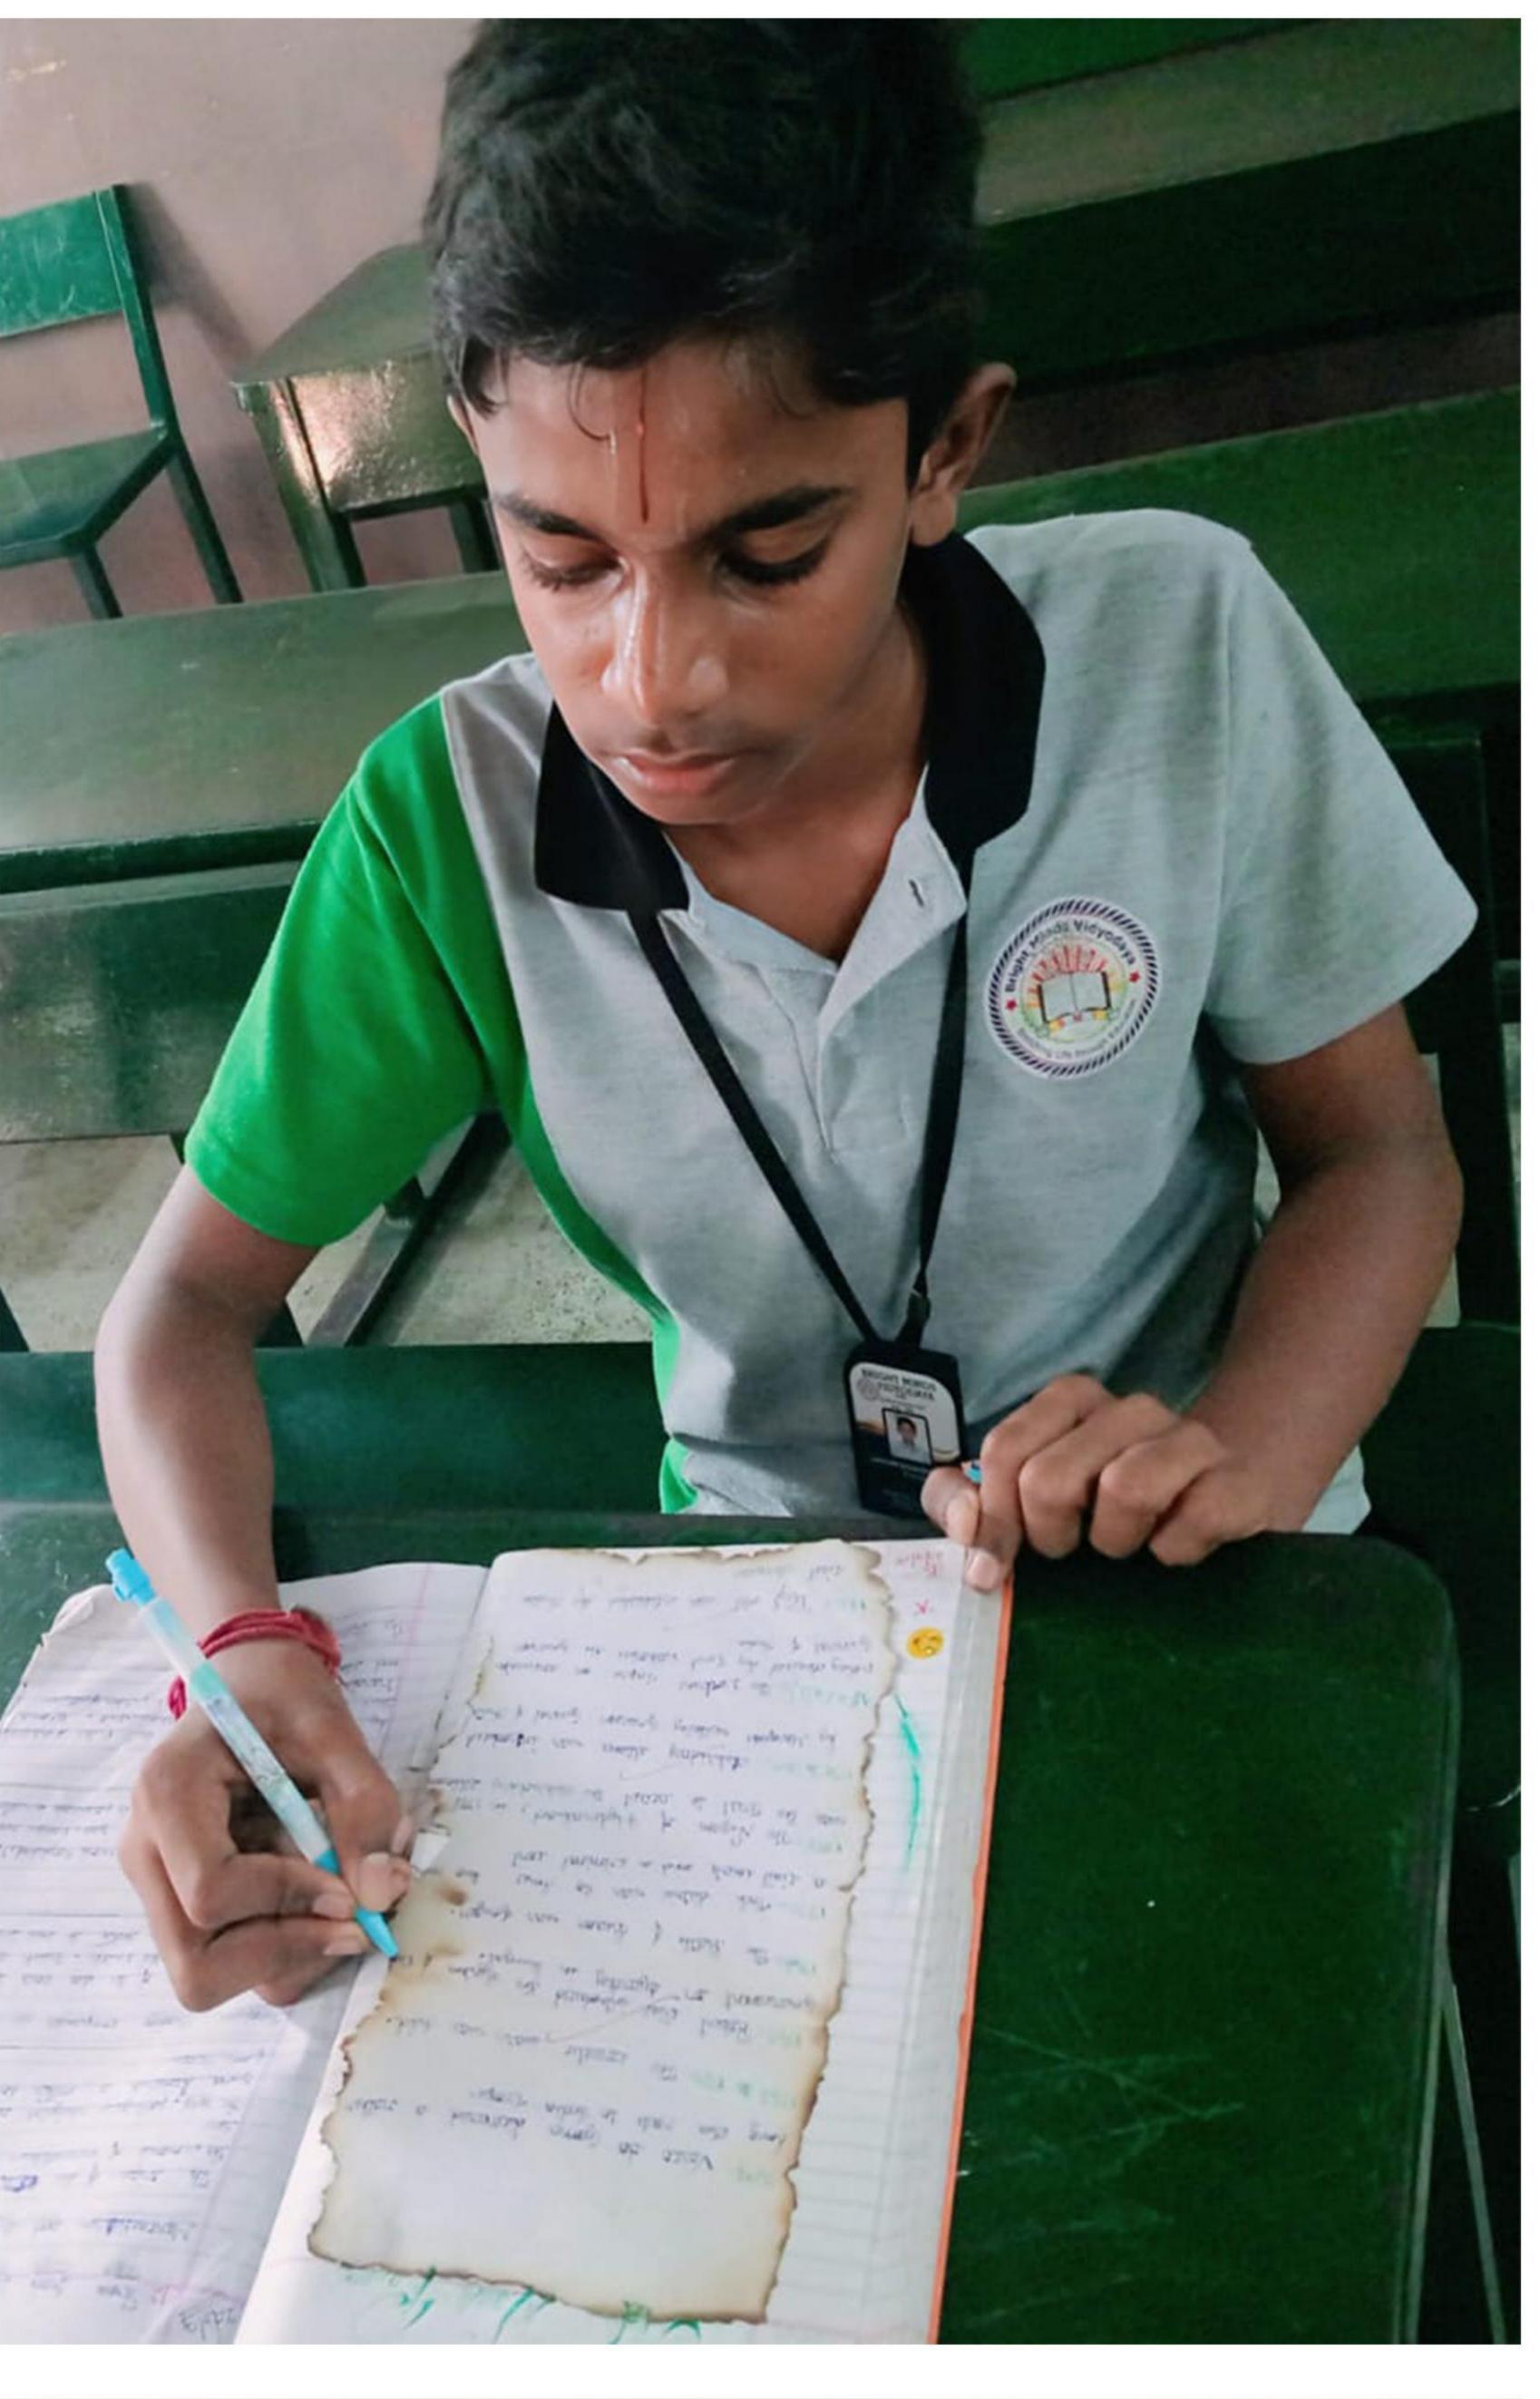

Edition - 6

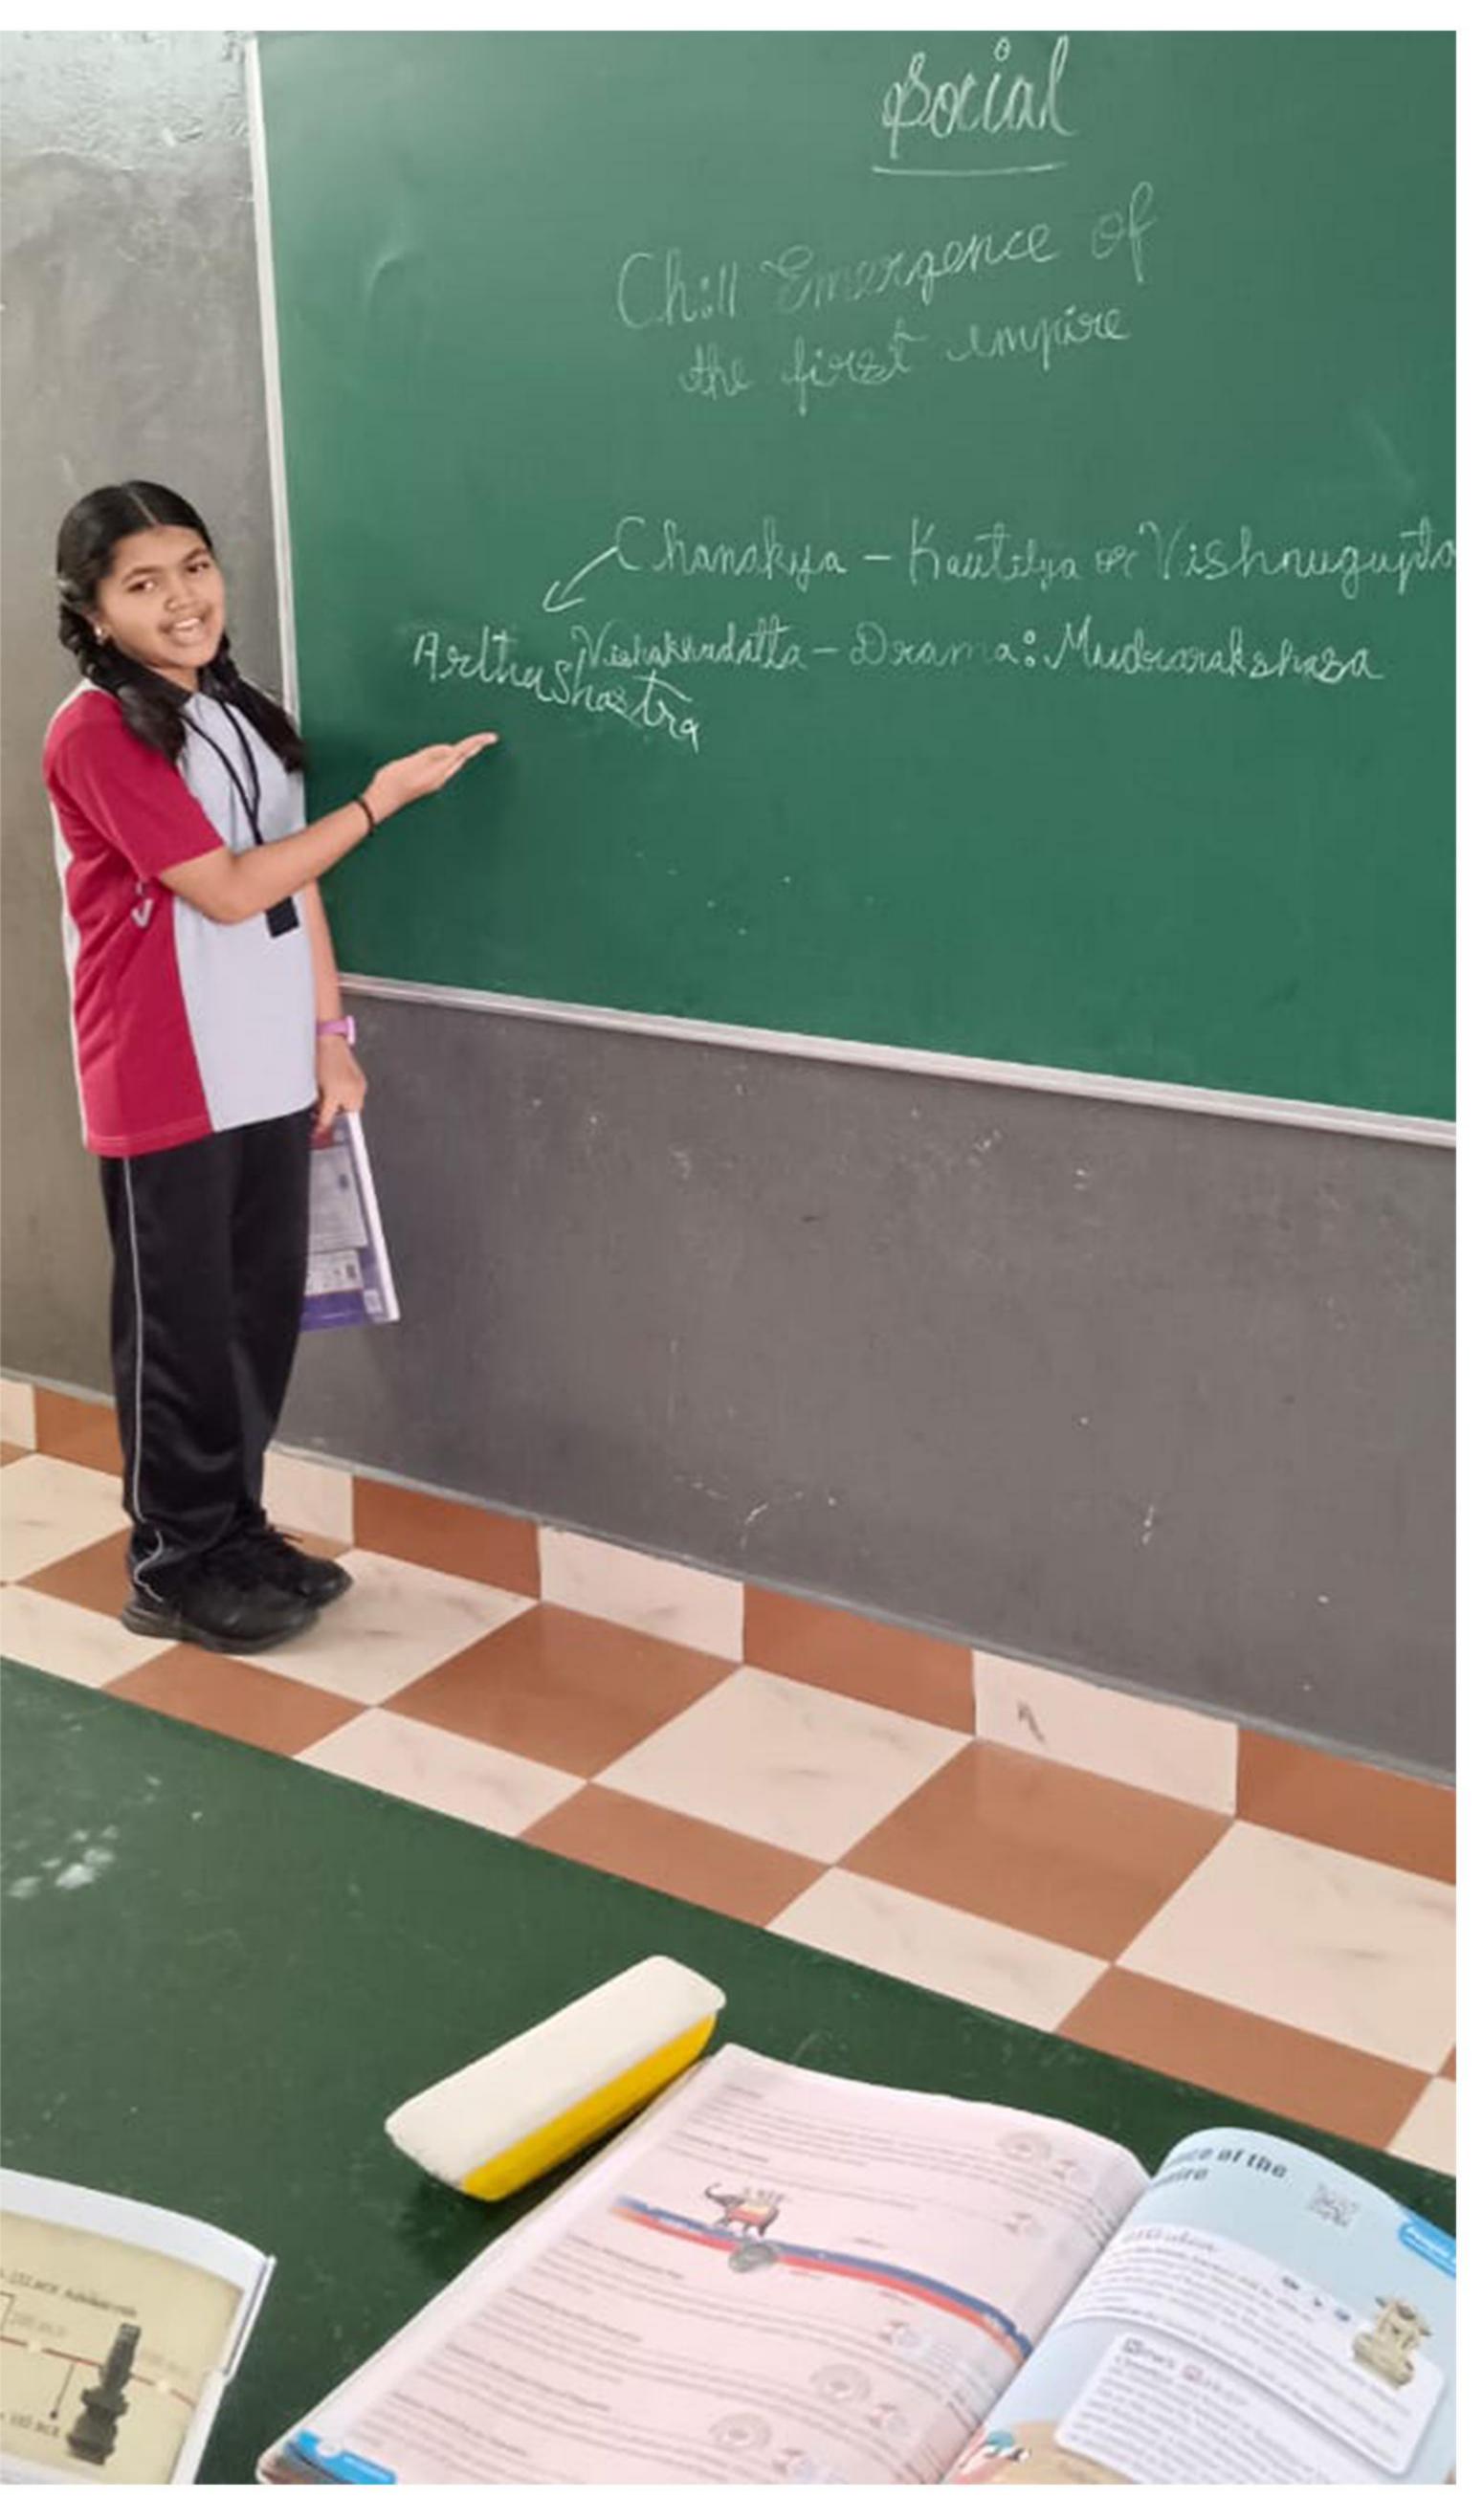

3 Dimensional Learning - Inclusive Education

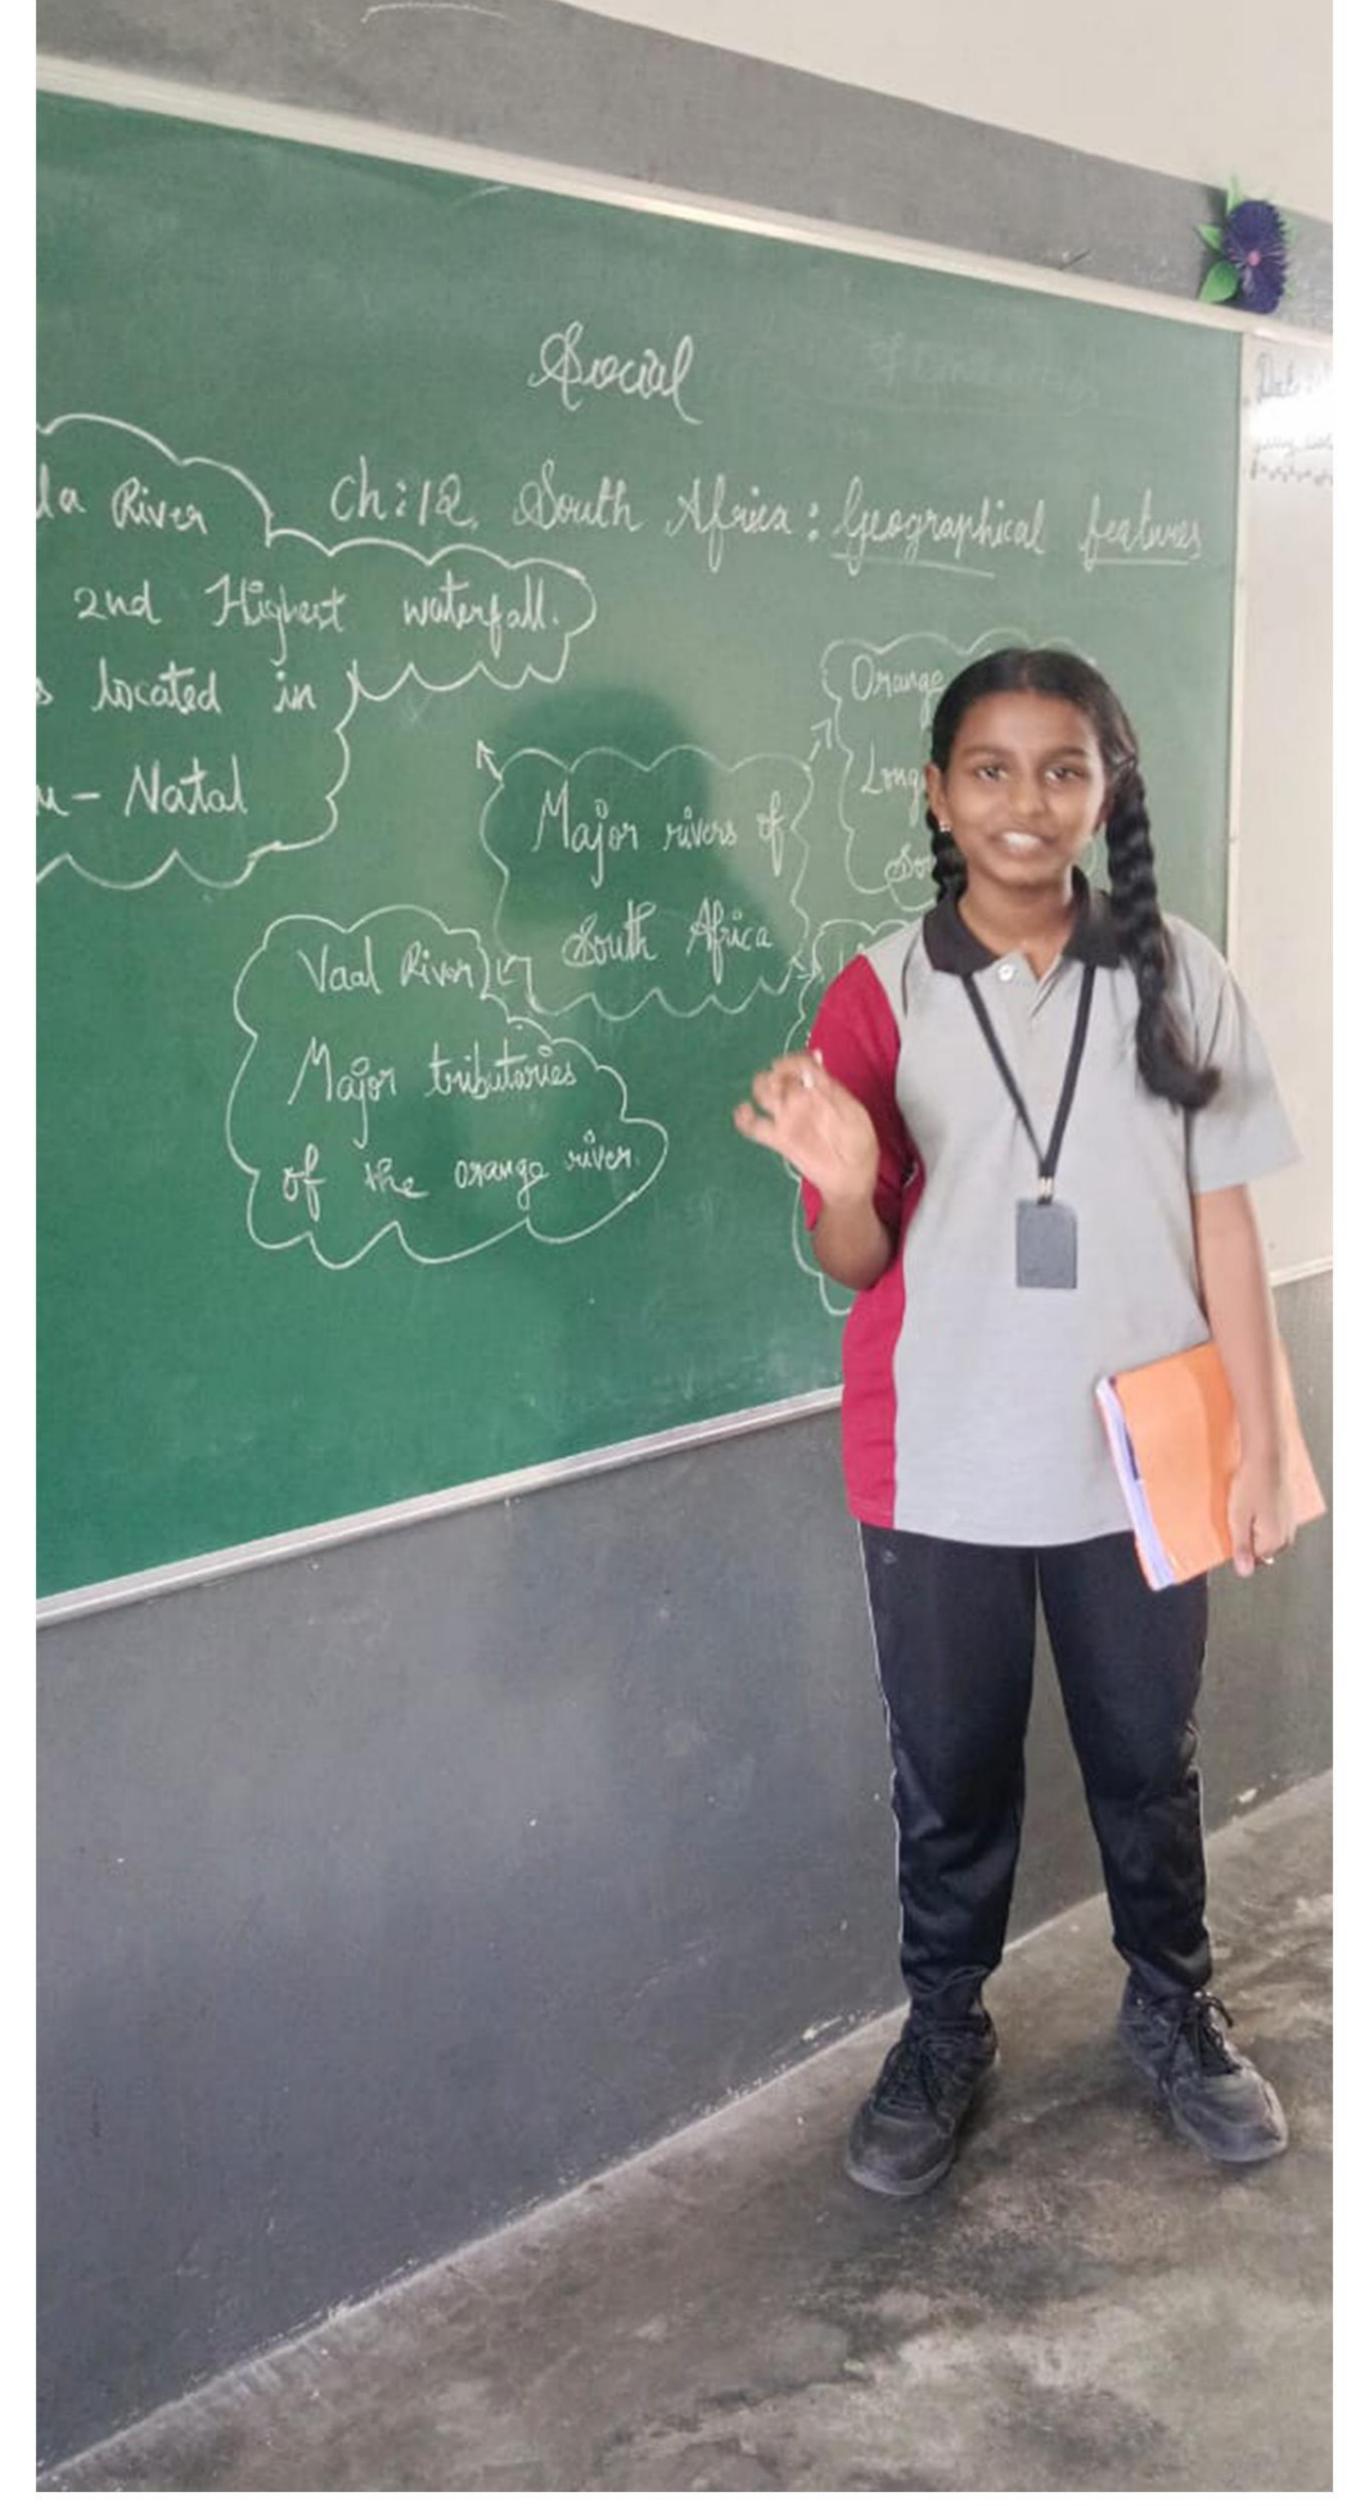

Grade 6: Mastered micro-teaching, honing skills through peer feedback!

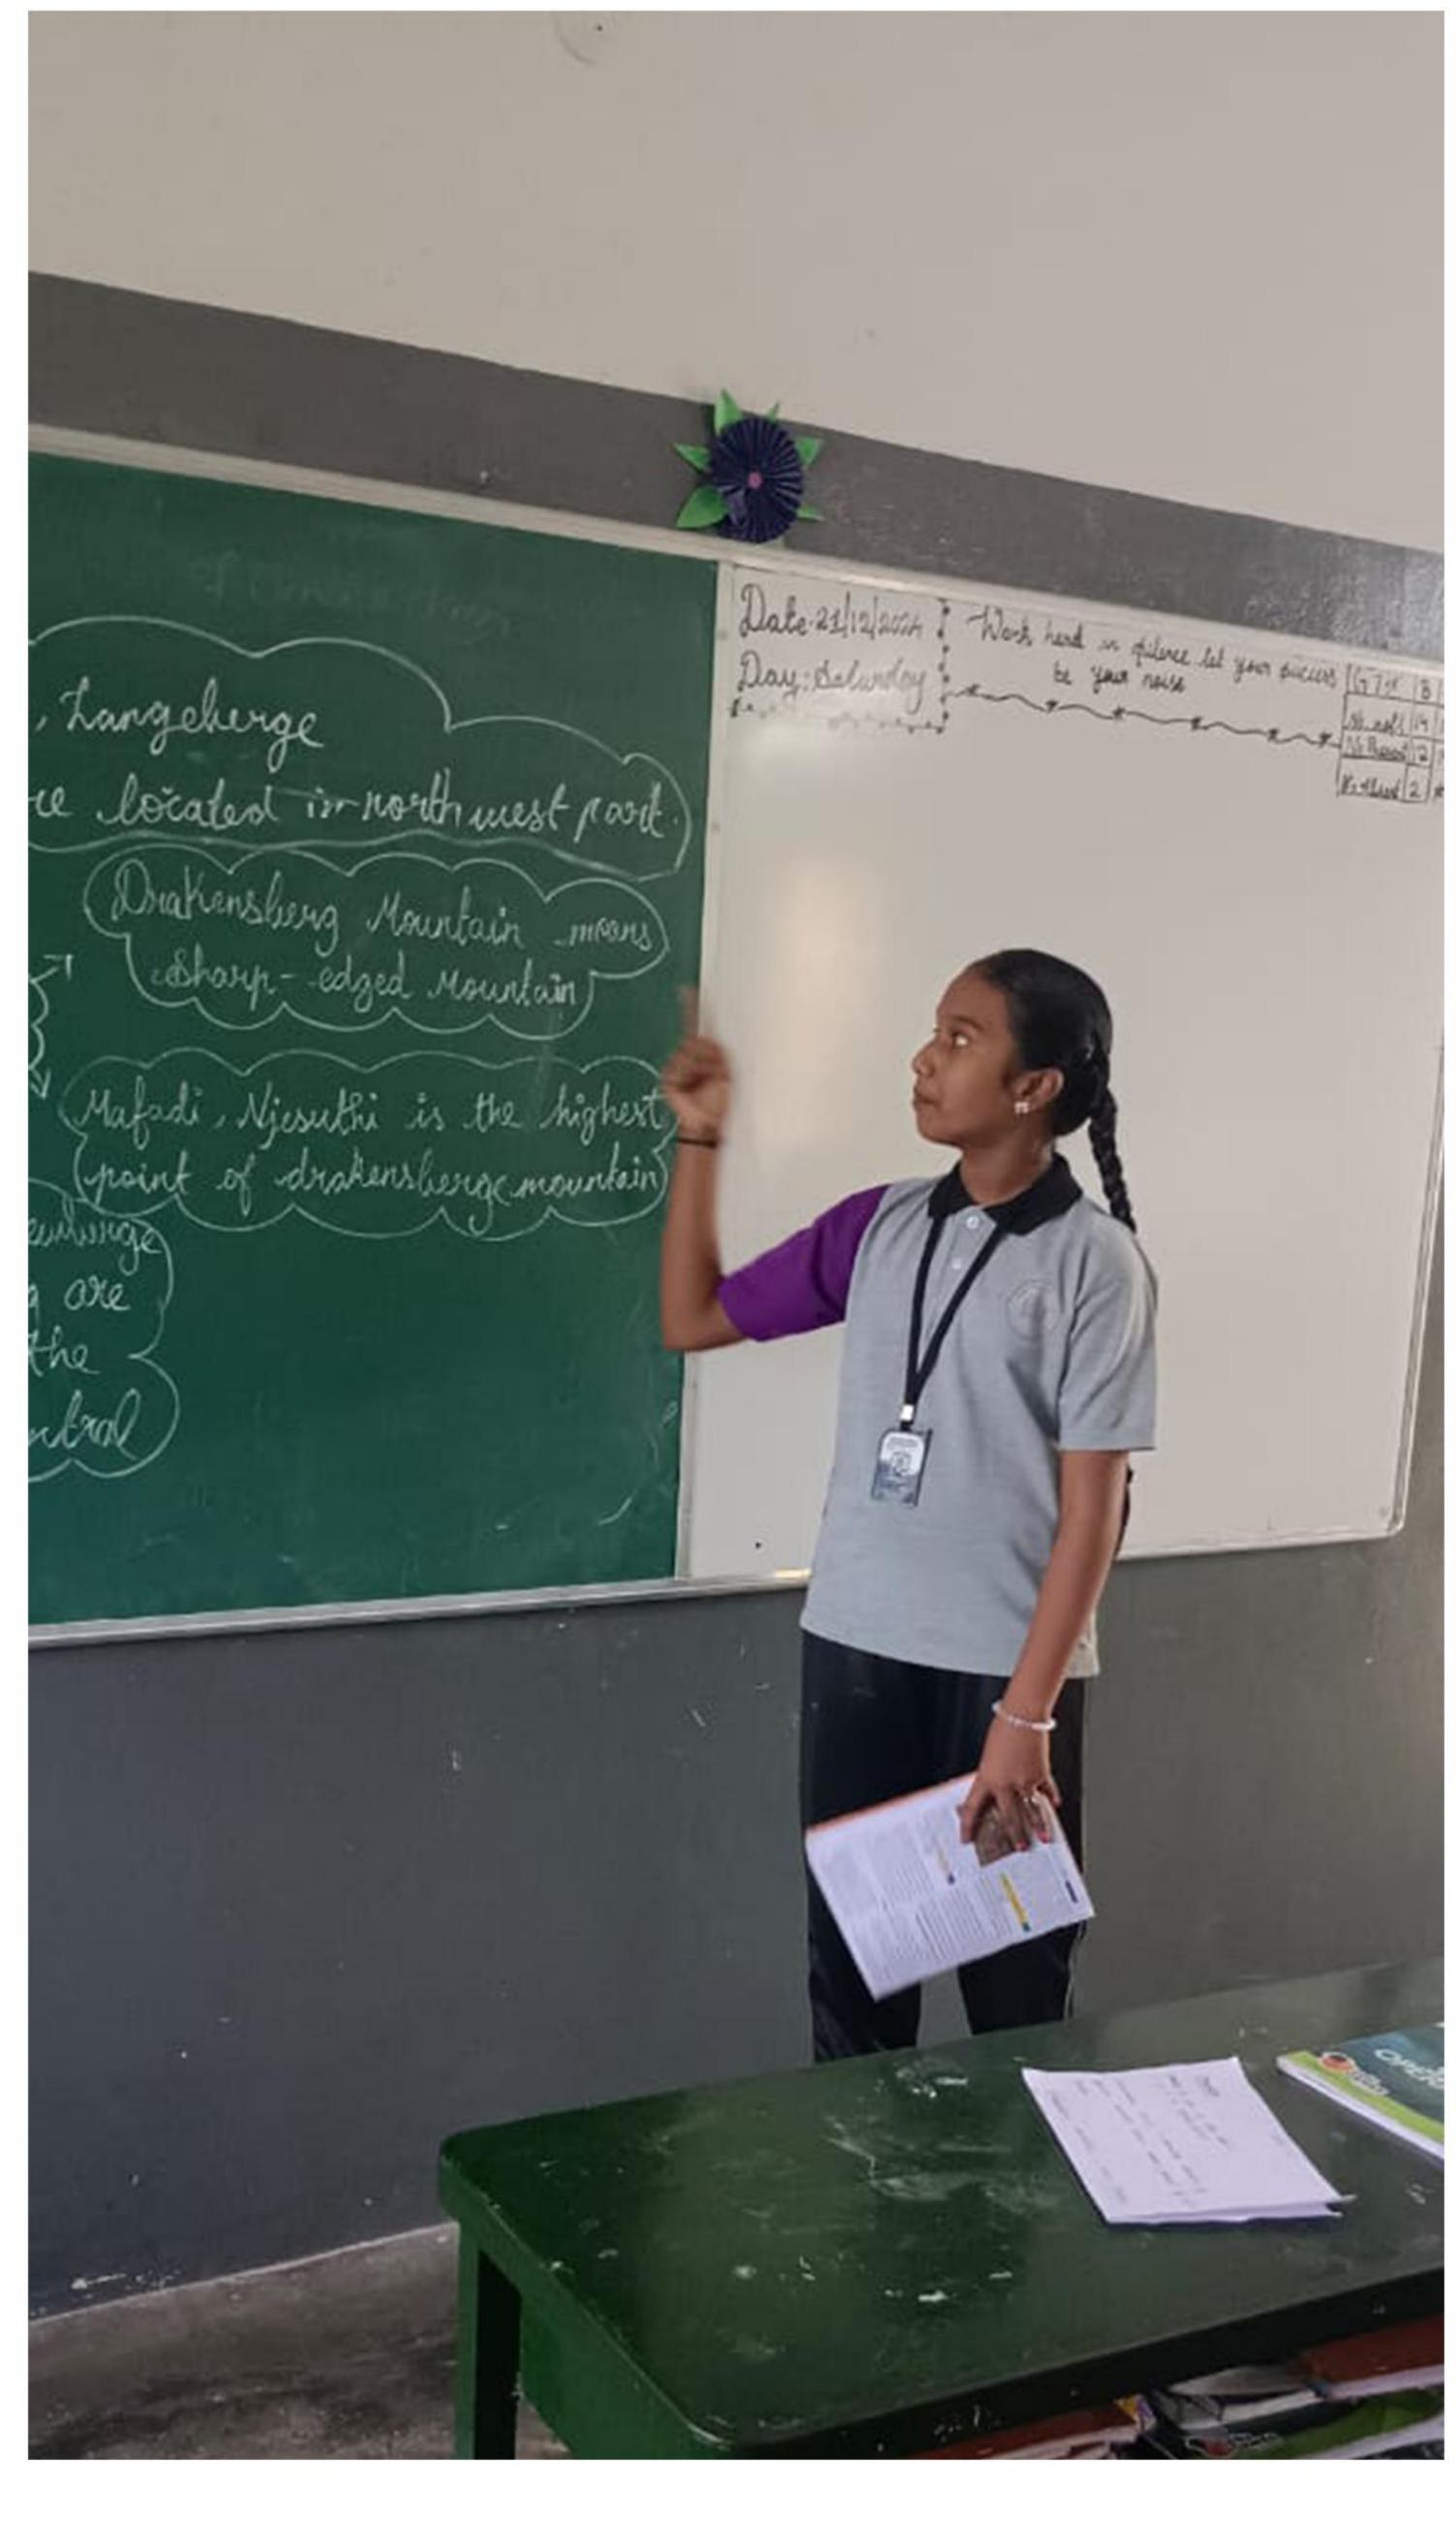

Grade 7: Analyzed, presented, and reinforced learning through micro-teaching!

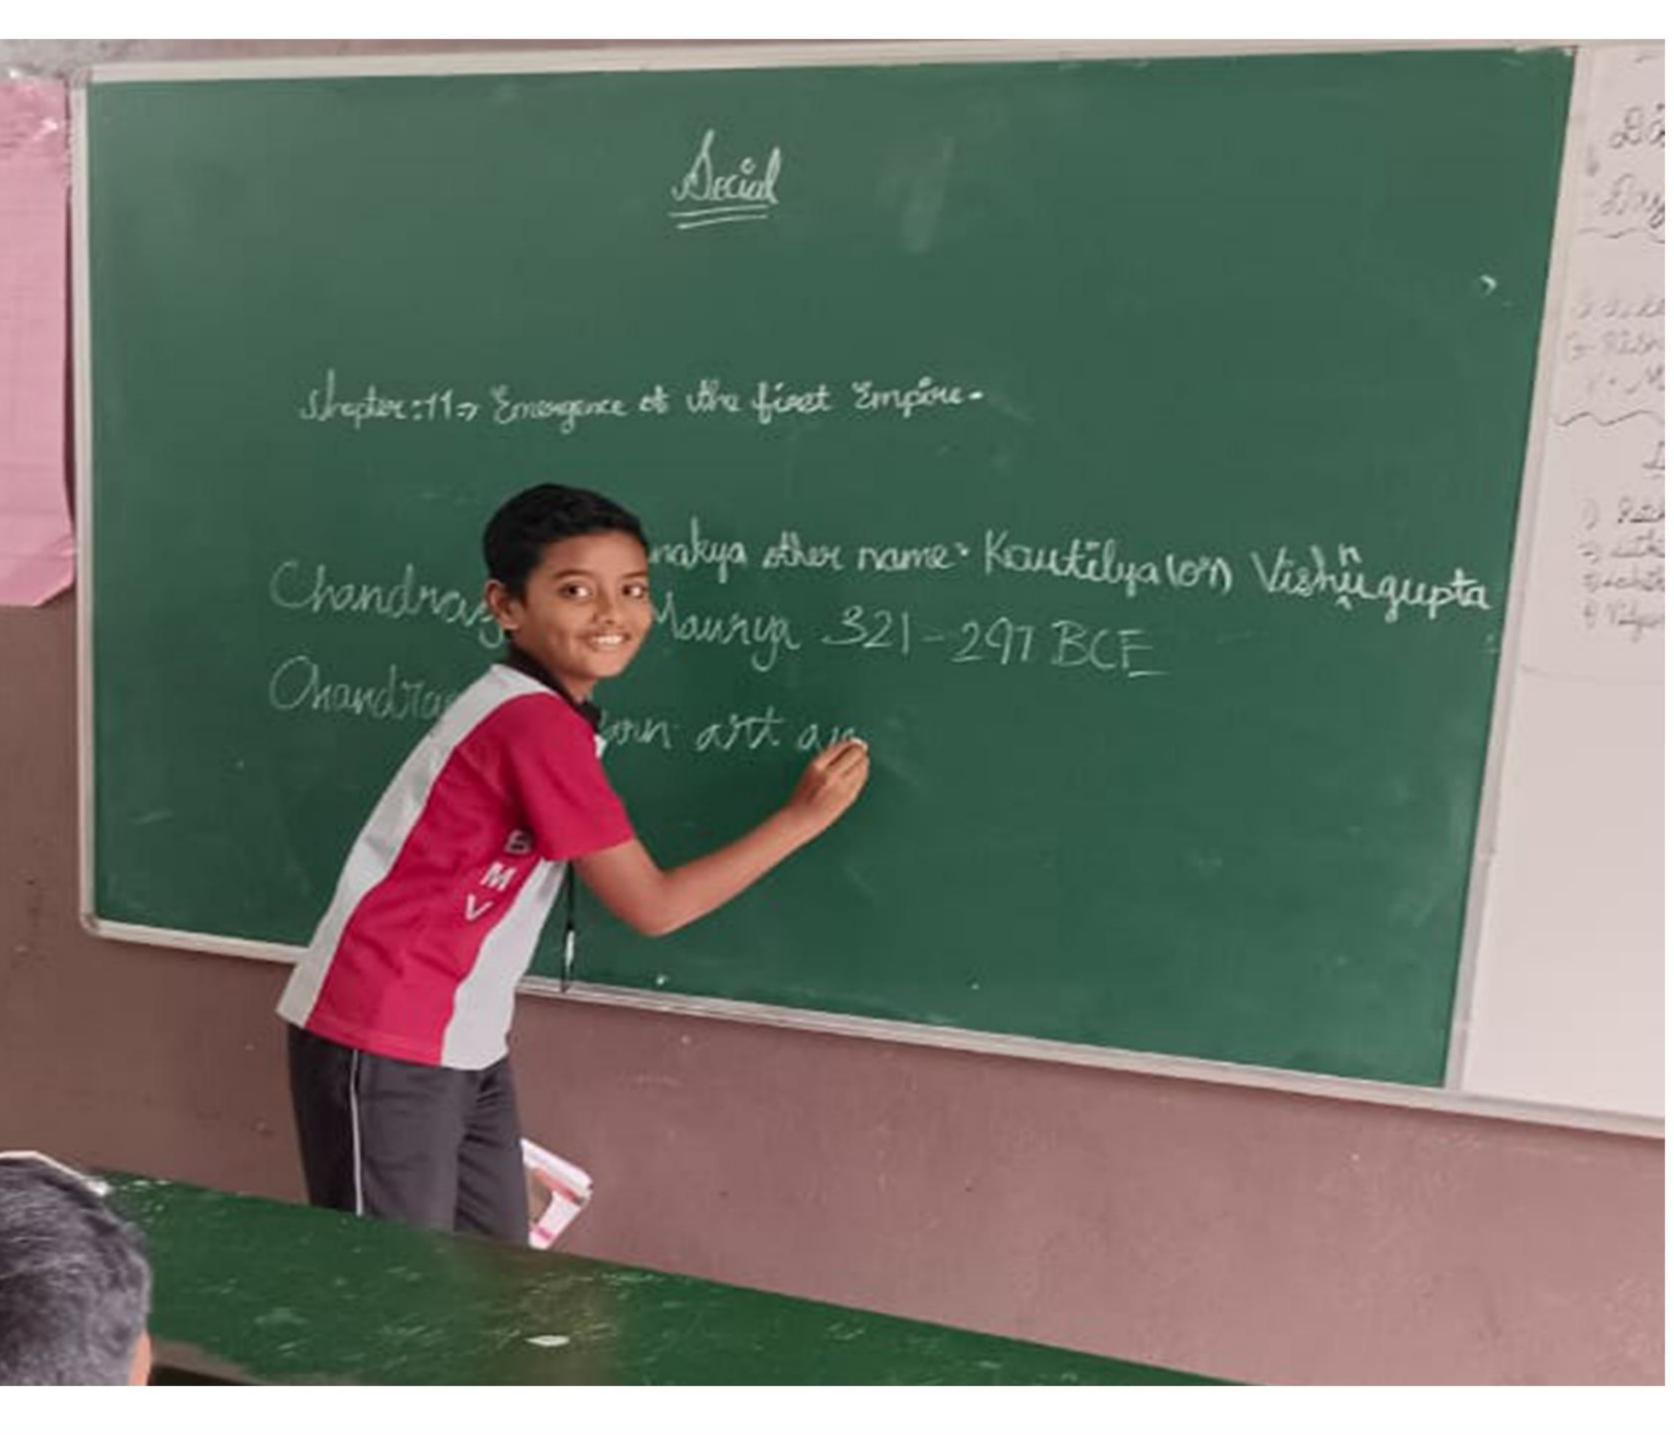

Grade 8: Brought history to life with newspaper models of colonial India!

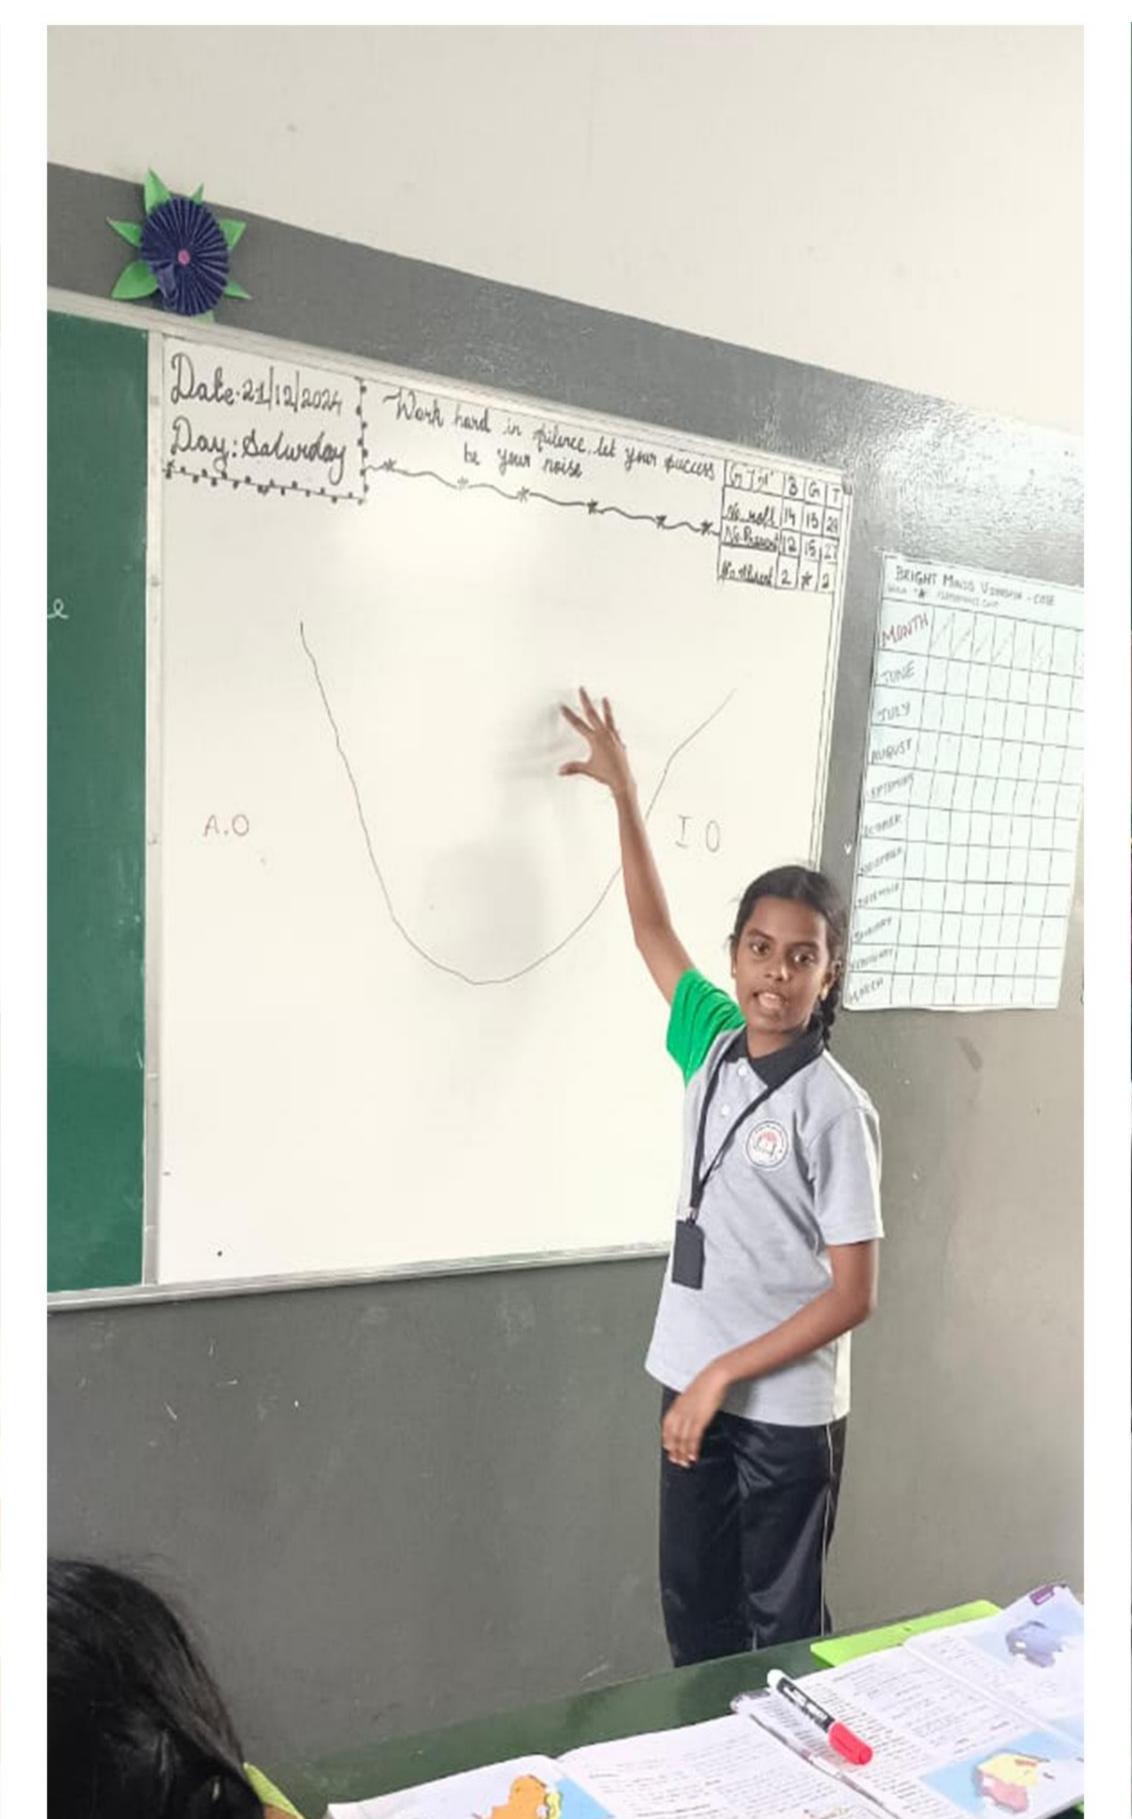

Is learning map important?

"Social Science Revved Up! Micro-teaching & newspaper articles ignite skills, critical thinking, and real-world connections!"
